A SIGNED & SCENTED CHERI TANK-TOP!

We heard Video Team was filming their latest lesbian epic, *No Man's Land 44 Upstick Lesbians*, starring Amy Ried, Alektra Blue, Lexi Tyler, Angie Savage, Candy Manson, and many other sex-crazed lizzies. So we snuck on set and in between takes, held our own photo session with the babes posing in our very stylish, very sexy CHERI tank-tops, before we got kicked out. But we took plenty of pics, and even had the girls sign their shirts after wearing them all day. We sealed them up to hold their heavenly scents, and brought them back to our office, where they remain until now. Fill out the coupon below and you could be one of ten lucky readers to win a Signed, Scented CHERI Tank Top T-Shirt, offered exclusively by your favorite pornstar's favorite magazine, CHERI. Plus, see how these babes lick, lap, suck and fuck one another in *No Man's Land 44 Upstick Lesbians* by reading our enthusiastic, Five Bolt review on page 121. Be one of the very few to own this amazing souvenir. Don't wait, because you'll definitely want to sniff your favorite porn babe's heavenly scent! sahara
cum soaked under the sun

We don't want to ruin the fantasy, but Pinzess Sahara isn't an actual princess. She'll never be Queen of the Desert. But when she's standing in her skimpy string bikini on the edge of her pool, the hot Santa Ana winds blowing over her body, she feels like a real princess. Sahara rubs her entire body, spreads her legs, and starts fingering her clit, which gets her excited instantly. Sahara gets into full masturbation mode—she positions herself, licks her fingers, pinches her nipples, and starts rubbing her twat, which is getting wetter with every rub. Enjoy your climax, Pinzess Sahara...maybe when you recover you can take a ride on ol' King Cactus Cock!

JESSE JANE

THE ART OF THE THREESOME—HOW TO GET TWO CHICKS TO SUCK & FUCK YOU!

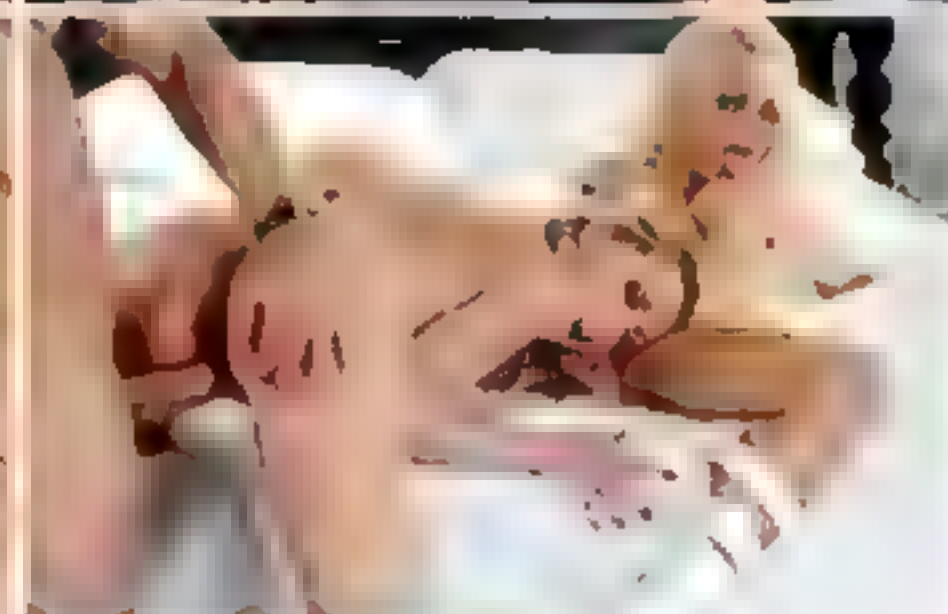

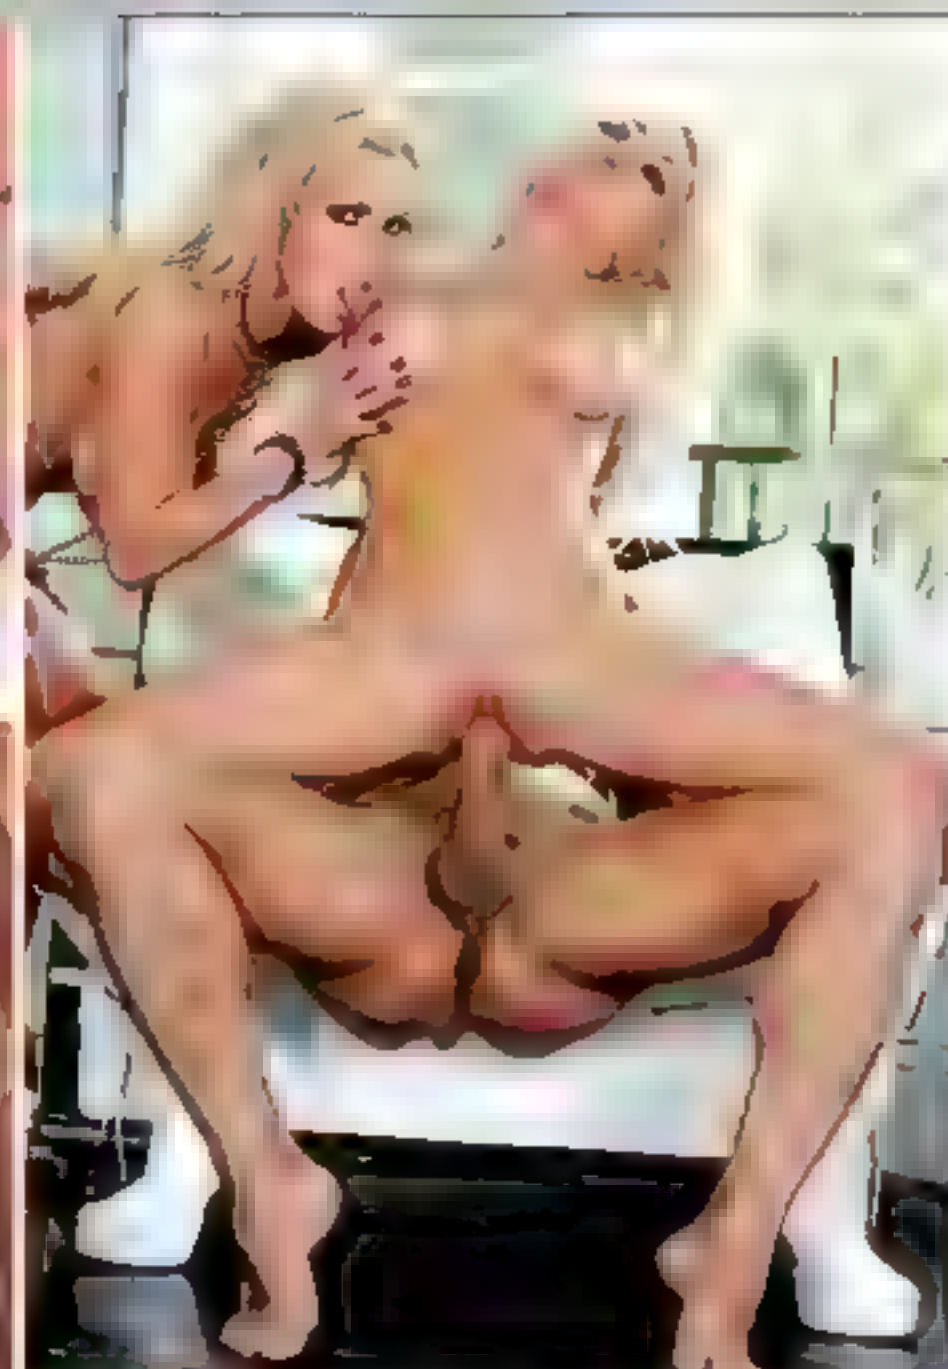

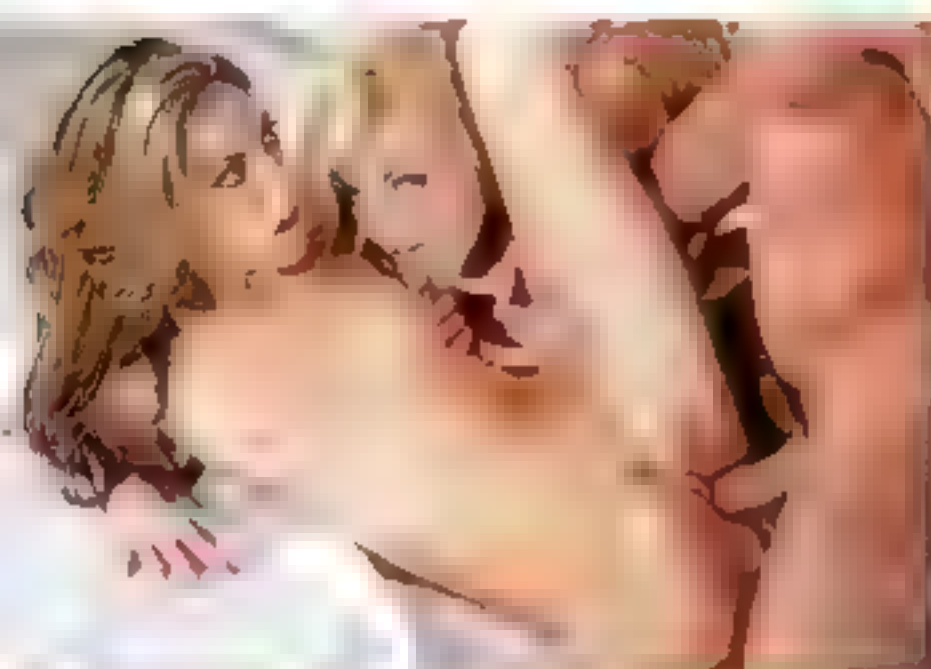

What does every man in this world dream of? A threesome with two girls, of course! Every guy fantasizes about having two girls at once. Whether it be with their girlfriend or wife, or two complete strangers, every guy has thought about it.

I have had many threesomes. I have had them both on and off camera. I love having more than one set of hands or an extra tongue caressing every part of my body. I love having one cock and one pussy to play with. I even love having two pussies to play with. It's so exciting, and more fun than regular sex sometimes because you have a lot more going on.

Think about it, when you are giving a guy a blowjob, and it's just two of you, he's the only one being pleased. Am I right? Now if you had another person there, as you are giving the blowjob, someone could be eating your pussy while fingering you, making you wet, or even another cockfucking you, pleasing you as you are pleasing your man. Sounds way better, huh? Or while a guy is fucking you, making you so horny, so wet, you can have a girl sitting on your face, eating her soft, juicy pussy. You can get her so wet her juice just drips in your mouth. She can be rubbing your tits, or licking your nipples as you are eating her box.

All photos courtesy of Digital Passion and
www.dollacover.com

Now let me tell you first what most men do wrong. Guys tend to—when they have a threesome—focus on the other girl, and not their girlfriend or wife. Don't do that, especially if you ever want to have another threesome. Yes, I know you are excited about "getting new pussy," but share equal interest and you might get a chance at another threesome. Seriously be cool because your girl is being cool by letting this threesome happen. If you show equal interest—maybe favor your girl a little more—she will feel so special and so confident that she won't feel inferior. She might even like threesomes and suggest them to you every once in a while. Do you men understand me?

Then suggest going out one night, have some drinks and pick a girl out together that you both find attractive. Make sure it's someone you don't know. Never use a friend! It makes things weird afterwards, and things never will be the same. Many friendships are lost over this kind of experience. So bring the girl home, start kissing your girl, and then let the girls start kissing. You never go first because your girl might weird out all of a sudden.

While she's making out with the girl, be behind your girl, caressing her, kissing her neck. Then eventually you jump in the middle and start kissing both girls. The foreplay starts, and just play with both girls. If you ever want this again, like I said before, make your girl feel special. Make her feel like she's the hottest thing ever. So now that you have my advice and tips, go make it happen. Then write me and tell me how much you love me for hooking you up!

See you guys in January for my exclusive column on *Pirates 2*!
I can't wait! Yay!!

MISGONIA
sweet desserts

nicole

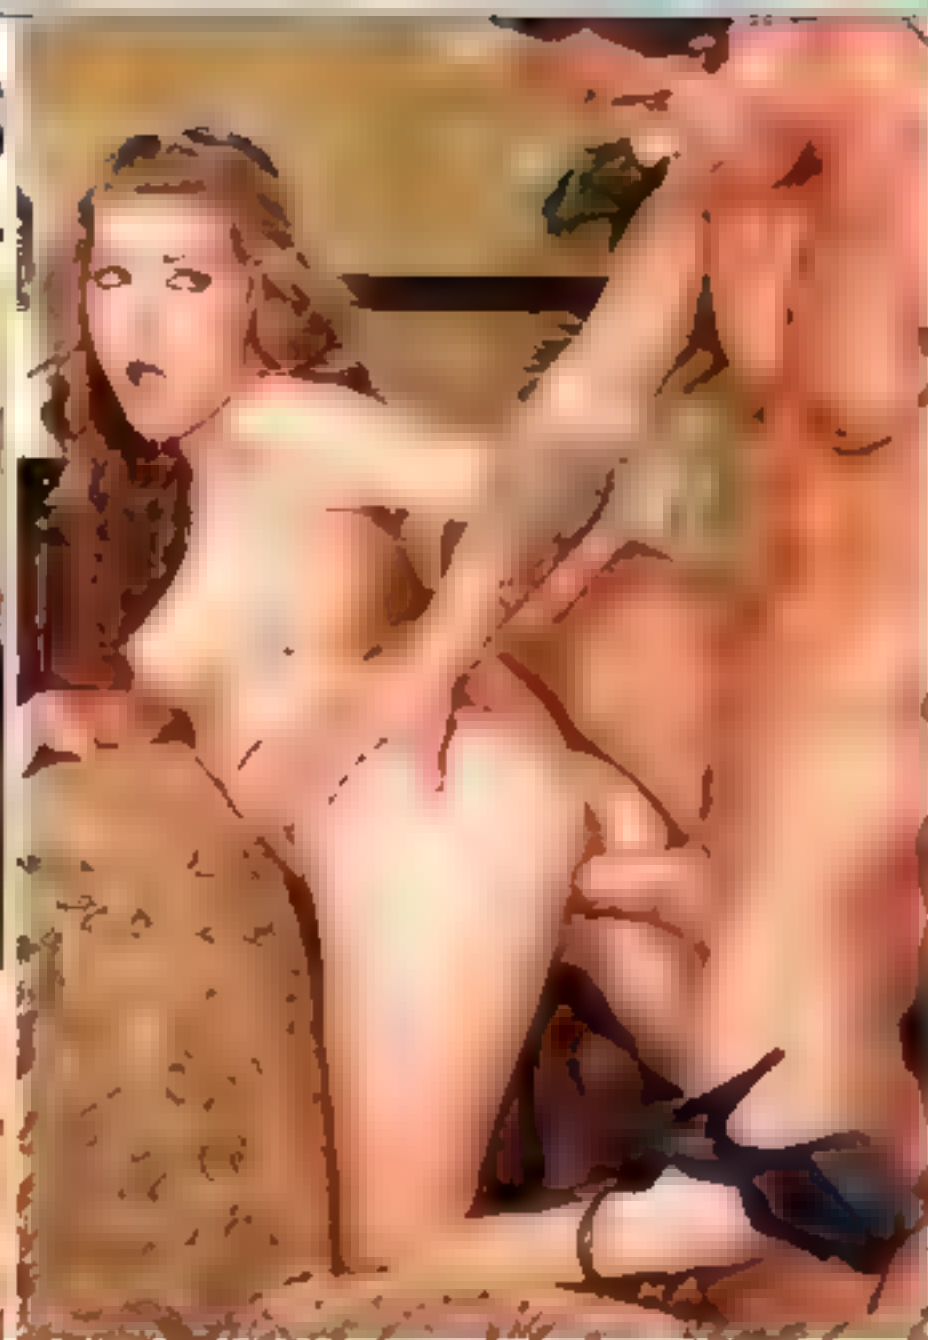

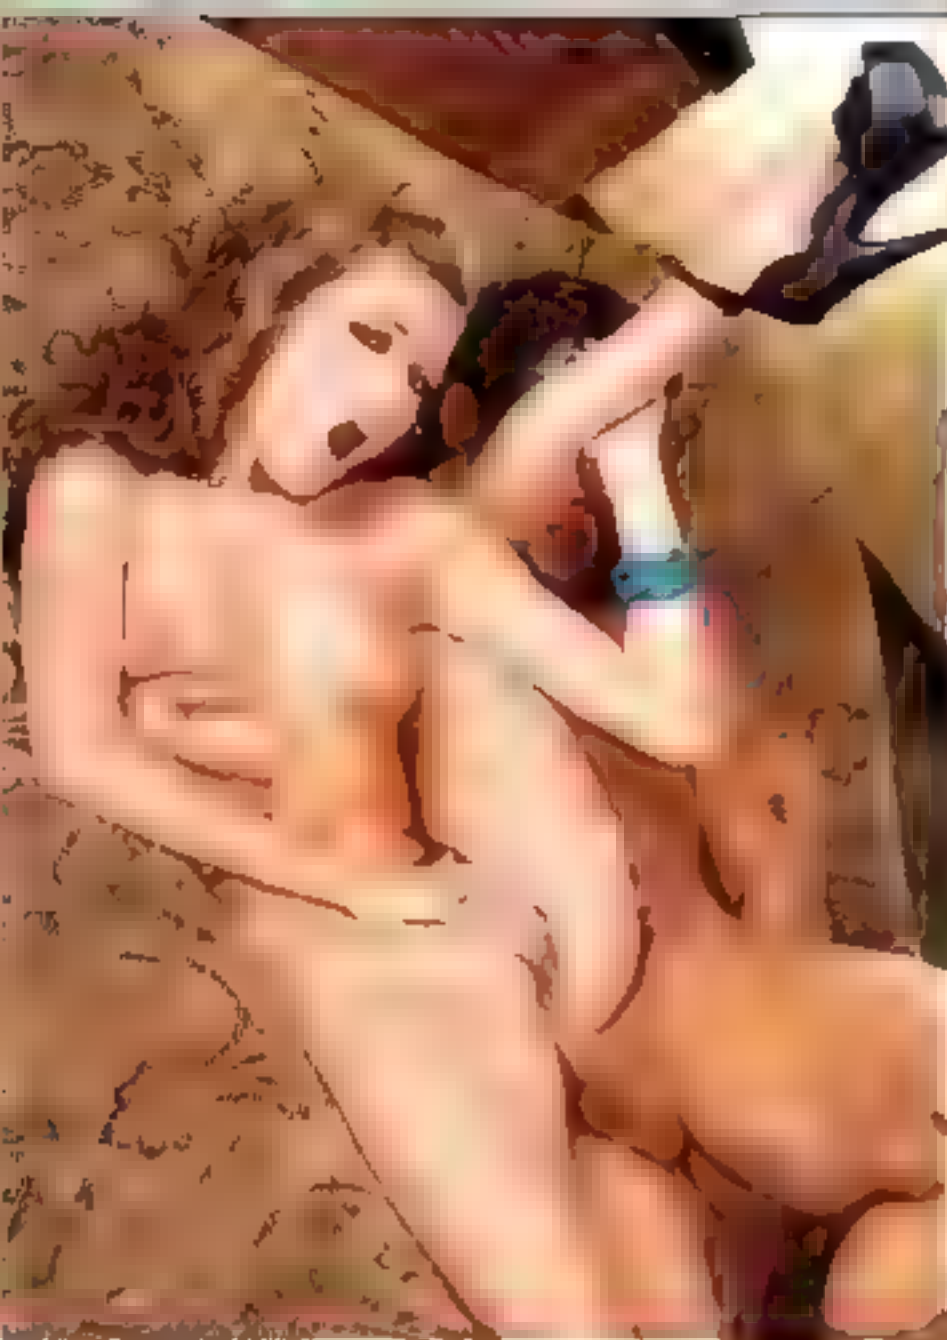

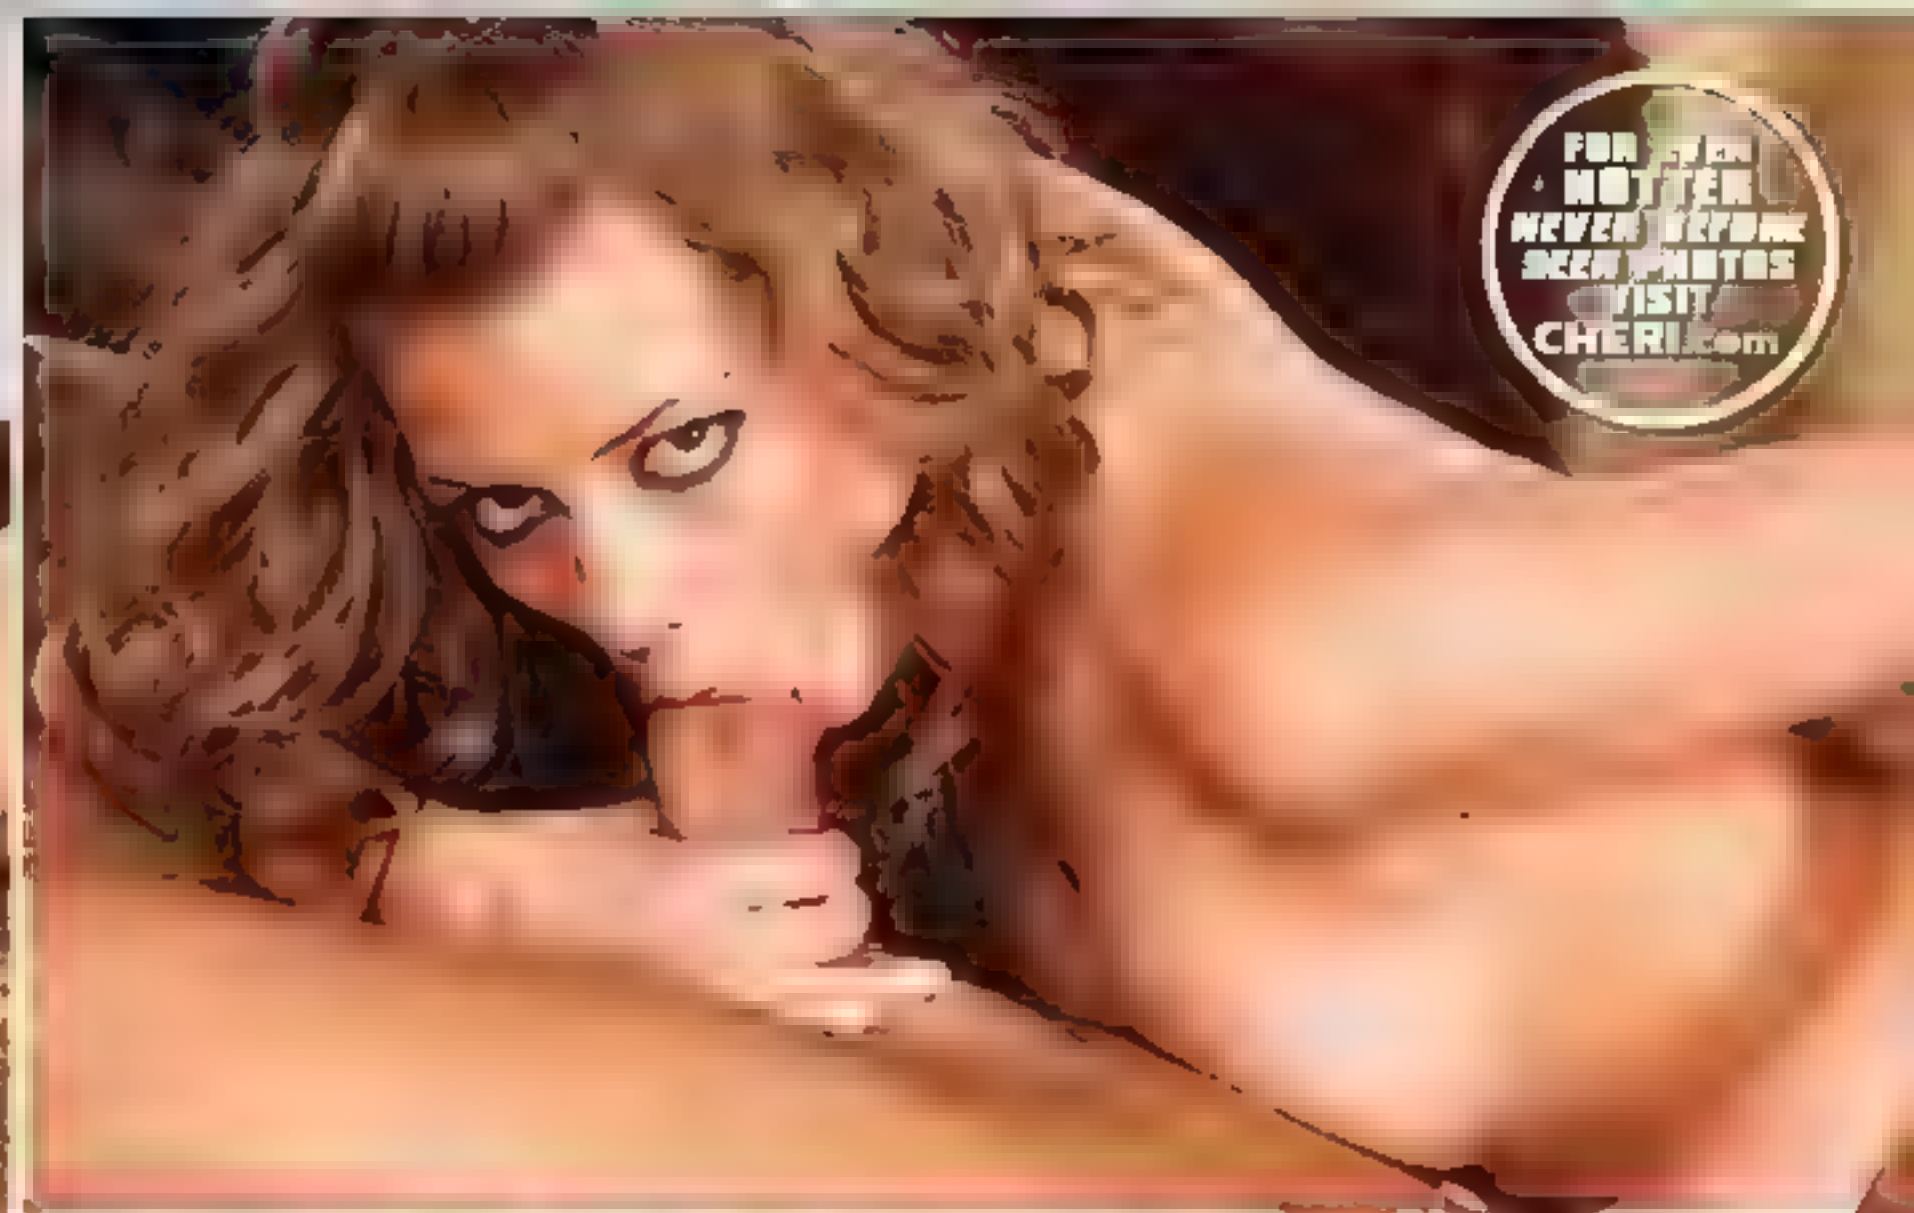

Nicole invites her new co-worker over to sample some sweets—and by “sweets” she means her fat, wet pussy. This is Nicole’s way of welcoming new employees. Yeah, her office is a cool place to work. They’ve got a great 401(k) plan, too. Just last week Nicole welcomed the new, big-busted receptionist by thoroughly licking her furry genitals. Her new supervisor was treated to a handjob and a tit-fuck. And when the CEO retired last year, Nicole gave him a rim job/rusty trombone combo right in front of everybody in the corporate conference room. Sure beats a gold watch! Now Nicole is up on all fours while another new hire (what was his name? Alan? Albert?) plows into her from behind, getting ready to blast his spunk deep inside her hot fuck-over. She hopes he’ll be a powerful person in the company some day, but if he doesn’t that’s okay, too. Nicole is just happy to do her part, a vital member of the corporate team!

CHERI 2008 TART OF THE YEAR CONTEST

Each month, we set out to pick the very best, hottest babes for the much coveted Tart Of The Month centerfold. We showed you beauties from Porn Valley, the nastiest sluts from Europe, and everything in between. Don't envy our jobs picking out the Tart Of The Month—it's never an easy decision. We fell in love with Lela Star so much so that we had to make her Tart of the Month twice (December 2007 and August 2008). Sabrina (November 2008) made our boners so hard they almost drilled through our zippers! We miss Paulina James (March 2008), especially that tight body, but we'll definitely feature her again when she returns to the skin trade. We said, "Holy tits," when we saw Amy Reid display her amazing natural boobs in May 2008. Euro blonde bimbo Bianca (September 2008) showed us her spectacular T&A, while Alexis Love (June 2008) showed us her lovely teen hardbody, and all her other luscious, Latina goodies! And who could forget the Queen of Porn (and CHERI Entertainment Editor) Jesse Jane (July 2008)? Now it's time for you to decide who will be 2008 Tart Of The Year! Grab a pen, your cock, each issue of CHERI from the past year, and have a great time voting!

nat & solita
top tier pussy

Sonia invites her new friend Nat over to her place for some girl talk. But Nat is a raging nympho dyke, and Sonia is a bisexual slut who has many fuck buddies. She hopes to make Nat her new fuck toy. But before Sonia can even spell out her true intentions, Nat takes her hand and leads her down the hall to the bedroom. She pushes her down on the bed and boldly lifts Sonia's skirt. Sonia makes no move to stop her. Instead she pulls her panties aside and shows Nat her already glistening cunt. Nat gives her a long, slow lick that stretches from the crack of Sonia's ass to the tip of her clit. Sonia's orgasm is quick and intense and she sprays Nat's face with a squirt of fem-goo. Now it's Nat's turn to swing her ass around and plant her dripping twat on Sonia's eager mouth. Sonia and Nat aren't doing much girl talk. In fact, they haven't said a thing. We wish all girls were like that. ☺

LETHAL HARDWARE'S SEDUCED BY A REAL LESBIAN 2

2 CHICKS...AND ENIGMS IN SIGHT!

by Acme Anderson

With so many fake lesbians going around trying to pick up girls these days, it's refreshing to know there are still some real lesbians inducting fresh babes into the sisterhood. It's a magical moment seeing a pretty girl get her pussy licked by another girl for the first time, and a dream seeing her make her snatch munching debut. In Stoney Curtis' *Seduced By A Real Lesbian #2*, one of the girls is an experienced muff rubber, while the other is brand new to the concept. Sure, like all girls it's crossed their minds, but maybe the opportunity never presented itself. Their curiosity overwhelms their nervousness, and under the careful guidance of another woman each girl finds a thrill and satisfaction that she has never before experienced. It's something we can certainly find a lot of joy in, too. ➡

MARLE MOORE & DEVI JAMMERSON

Marle has been trying to lure her sexy brunette friend over to her place for a while and it's finally happened. The first clue of things to come is when Devi shows off her pink dress and Marle asks about her underwear. "I love G-strings," she coos. "I really like tight dresses with G-strings. That's the best."

The next clue comes when Marle's phone starts vibrating in her purse, which is sitting between the two ladies. Devi pulls it out and—omigod!—it's not a phone! It's a pink vibrator. Shocked, Devi asks Marle if she planned on bringing it out to the club. "Yeah," Marle says sheepishly, "that's kinda what I wanted to talk to you about." She explains that the club is actually an all-girl place, as in lesbians. Finally Marle spits it out: "I'm kinda interested in women. That's kind of my thing."

Devi is unconvinced but curious. Marle instigates events by encouraging her to put the vibrator against her clit for a second. Then she shows her how it's done. First she vibrates through her panties, then she pulls them to the side, rubbing the vibrator up and down between her lips. Devi follows suit and soon Marle is helping her out of her clothes. The girls caress each other's tits and klax and then Marle is suddenly wagging her tongue along Devi's hot spot.

After some serious licking Marle adds a vibrator to the mix, fucking her friend with it as she writhes in ecstasy. The brown lips of her snatch stretching like elastic around the purple plastic. After Devi cums, Marle feeds her the vibrator and then the tables are turned.

It may be Devi's first time with a girl, but instinct guides her well. Marle spreads her hole open wide and Devi dives in, pierced tongue first, lapping at her lips and then slides her tongue into Marle's snatch while sucking on her clit. Marle howls at the treatment, sliding her own hand through her legs and a finger into her cunt. Devi licks around it, tasting the juicy reward when Marle cums. Satisfied, the girls fall into each other's arms, lips locked in a deep kiss. They can always go to the club another night.

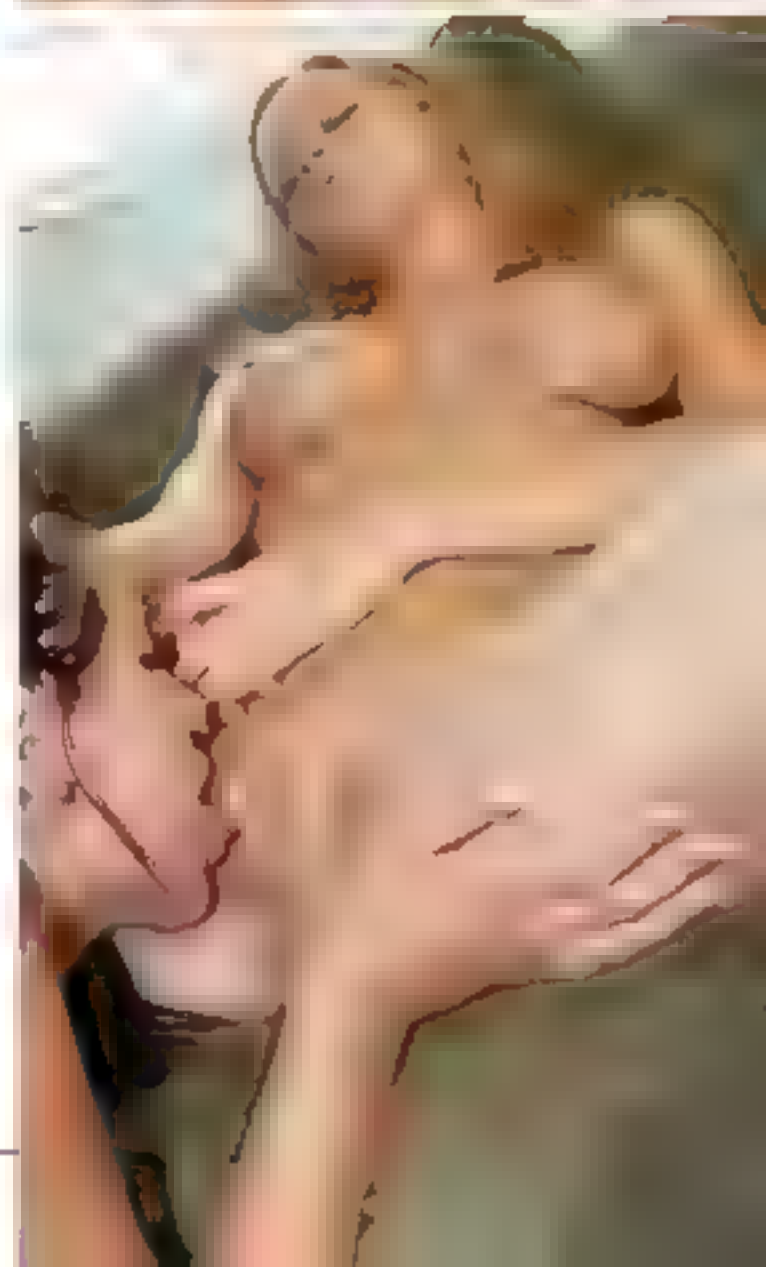

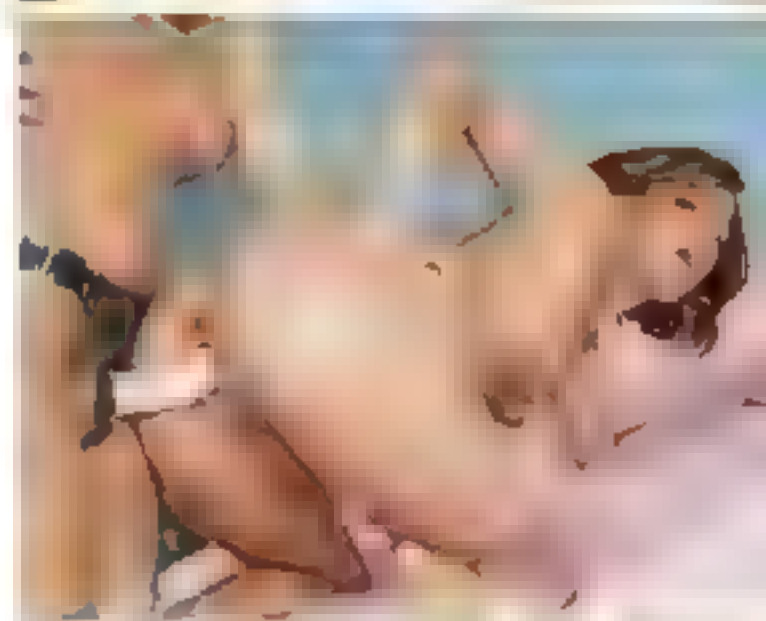

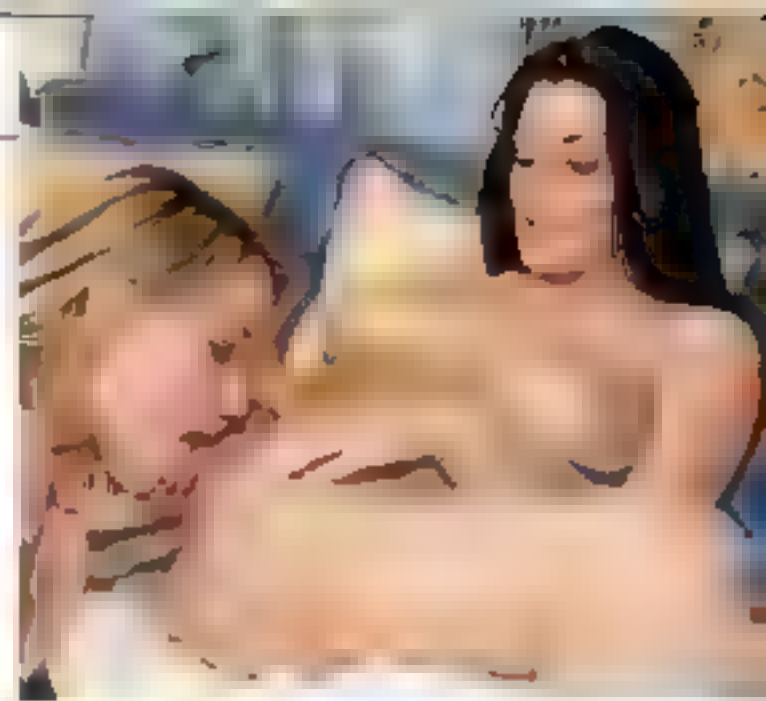

ANGELICA SAINT & RYAN HUNTER

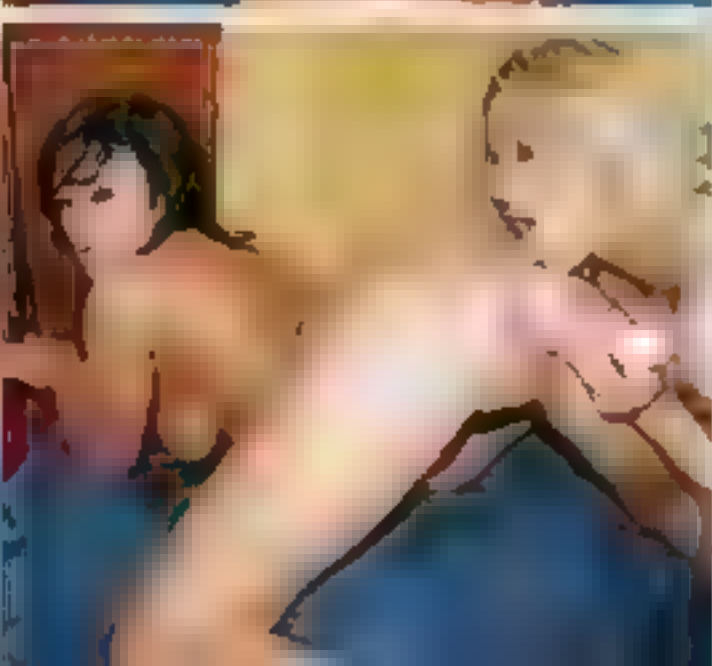

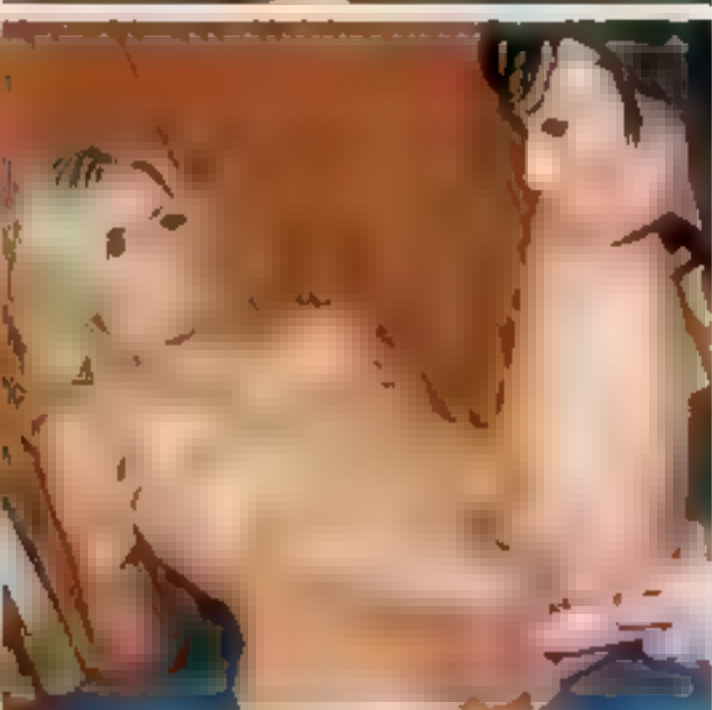

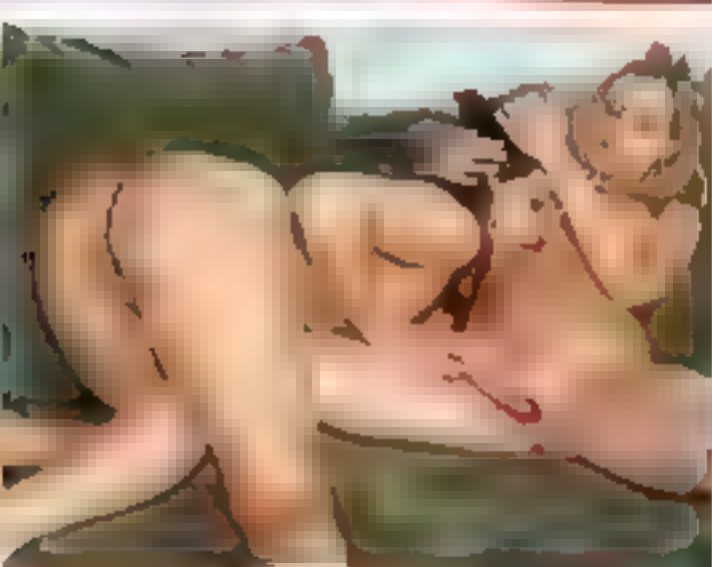

Angelica is on the phone telling a friend how hot Ryan, her new roommate, is when she spies the girl tanning by the pool—naked. Angelica doesn't look too bad herself, strutting around in her bikini looking like a swimsuit model. She stays inside fondling herself, telling the friend on the other line how much she'd like to get a piece of that action. Finally she's horny enough and struts out to see if Ryan needs any help with the tanning oil. Conveniently enough, Ryan does.

Angelica sprinkles the oil along Ryan's spine and rubs it in good, making sure she doesn't miss a spot. Then she compliments Ryan's ass and asks if she can "give it a little kiss." That little kiss turns into a lot of licking, and Ryan says it feels good. "I know how to make you feel good," Angelica assures her. "It's just that I've never been with a girl before," she shyly says. She'll never be able to say that again.

Angle leads the way to her bedroom and—after some mutual groping—Angelica takes the upper hand. She licks and caresses her way from Ryan's kissing lips to her pussy lips, and the response is immediate. "Yeah!" Ryan giggles excitedly. "It feels so good! I love it when you lick my pussy! I am so wet!"

Ryan goes down next and Angelica gives her a vibrator to facilitate the cumming process, and it works. As Angelica turns circles on her clit with her fingers, Ryan pushes the vibrator in and out until Angelica is squealing and pounding the wall behind her in orgasm.

Angelica then pulls out a strap-on and diddles her roommate doggie style, sending her into the stratosphere in a matter of minutes. "Oh, fuck me," Ryan screams, "I'm cumming! Kiss me!" Angelica pounds her hard until they collapse from exhaustion.

KELLY SKYLINE & PIPER AUSTIN

Piper invites Kelly over to hang out at her pool, but the only thing that's going to get wet is their pussies. When Kelly asks where she can change, Piper says she can do it right there in the living room. After a moment's hesitation she gets undressed and Piper follows suit, and that's where the changing of the clothes ends.

After unleashing her very healthy rack, Piper helps Kelly out of her clothes. Finally Piper says "fuck the pool," and Kelly is hip but a little out of her element. "I've never done this before...I'm a little nervous!"

No problem. Piper sticks her face between Kelly's legs and shows her how it's done. Her pierced tongue does circles around her blonde friend's twat. "Boys try to rush it," Piper explains between licks. "Not too rough. And you have to lick down." After giving her a good lapping, Piper turns her over and takes a vibrator to every spot Kelly has, finally crawling beneath the doggie style Kelly and lapping at her clit as she plows the pussy. It's only a matter of time before Kelly has her first orgasm with a girl.

Wanting to test her newfound knowledge, Kelly takes her tongue on an exploratory journey around her pal's snatch. "I would definitely say you're a natural." Piper tells her, Kelly moves on to a dildo, fucking her mostly with just the top couple inches while Piper plays with her clit. She cums as Kelly finally thrusts deeply with long strokes that send her into a sexy shudder.

Both satisfied the coo and giggle and decide to take a nap together. "Now I have someone to play with!" Piper says before they doze off.

LISA NEILS & MICKEY GRAHAM

Lisa is Mickey's manager over at the clothing store and they're friends outside work, too. She's invited Mickey to come by for a chat. It seems Mickey isn't dressing quite as well, upscale as is expected of her at the store. Lisa says she'd like to offer her an employee discount on the store's clothes, but there's a catch. She needs to work a couple extra hours per shift, and not necessarily at the store.

Lisa says she's into girls and Mickey says she'd be willing to give that a try. Oh, there's one other business note: The store, which is for women, is adding some accessories, vibrators to be exact, and would Mickey like to be the first to test them out?

They fall into each other sort of awkwardly like new lovers do and soon Lisa is licking Mickey's ass while working a vibrator into her salesgirl pussy. Mickey takes to it immediately and within minutes finds herself eating pillow as she screams her way through an orgasm.

Still eager to impress the boss, Mickey sucks on her perfect tits while diddling away with her fingers. Then they move into a 69 and Mickey works Lisa over with a wand vibrator, sucking on Lisa's floppy lips. "Baby, you're gonna make me cum," Lisa screams, her body tensing up pre-orgasm. Mickey encourages her to cum for her and finally Lisa lets go and climaxes with intense shaking. It's an experience that leaves both girls speechless and they run their hands lightly over each other, a job well done.

JEMIE

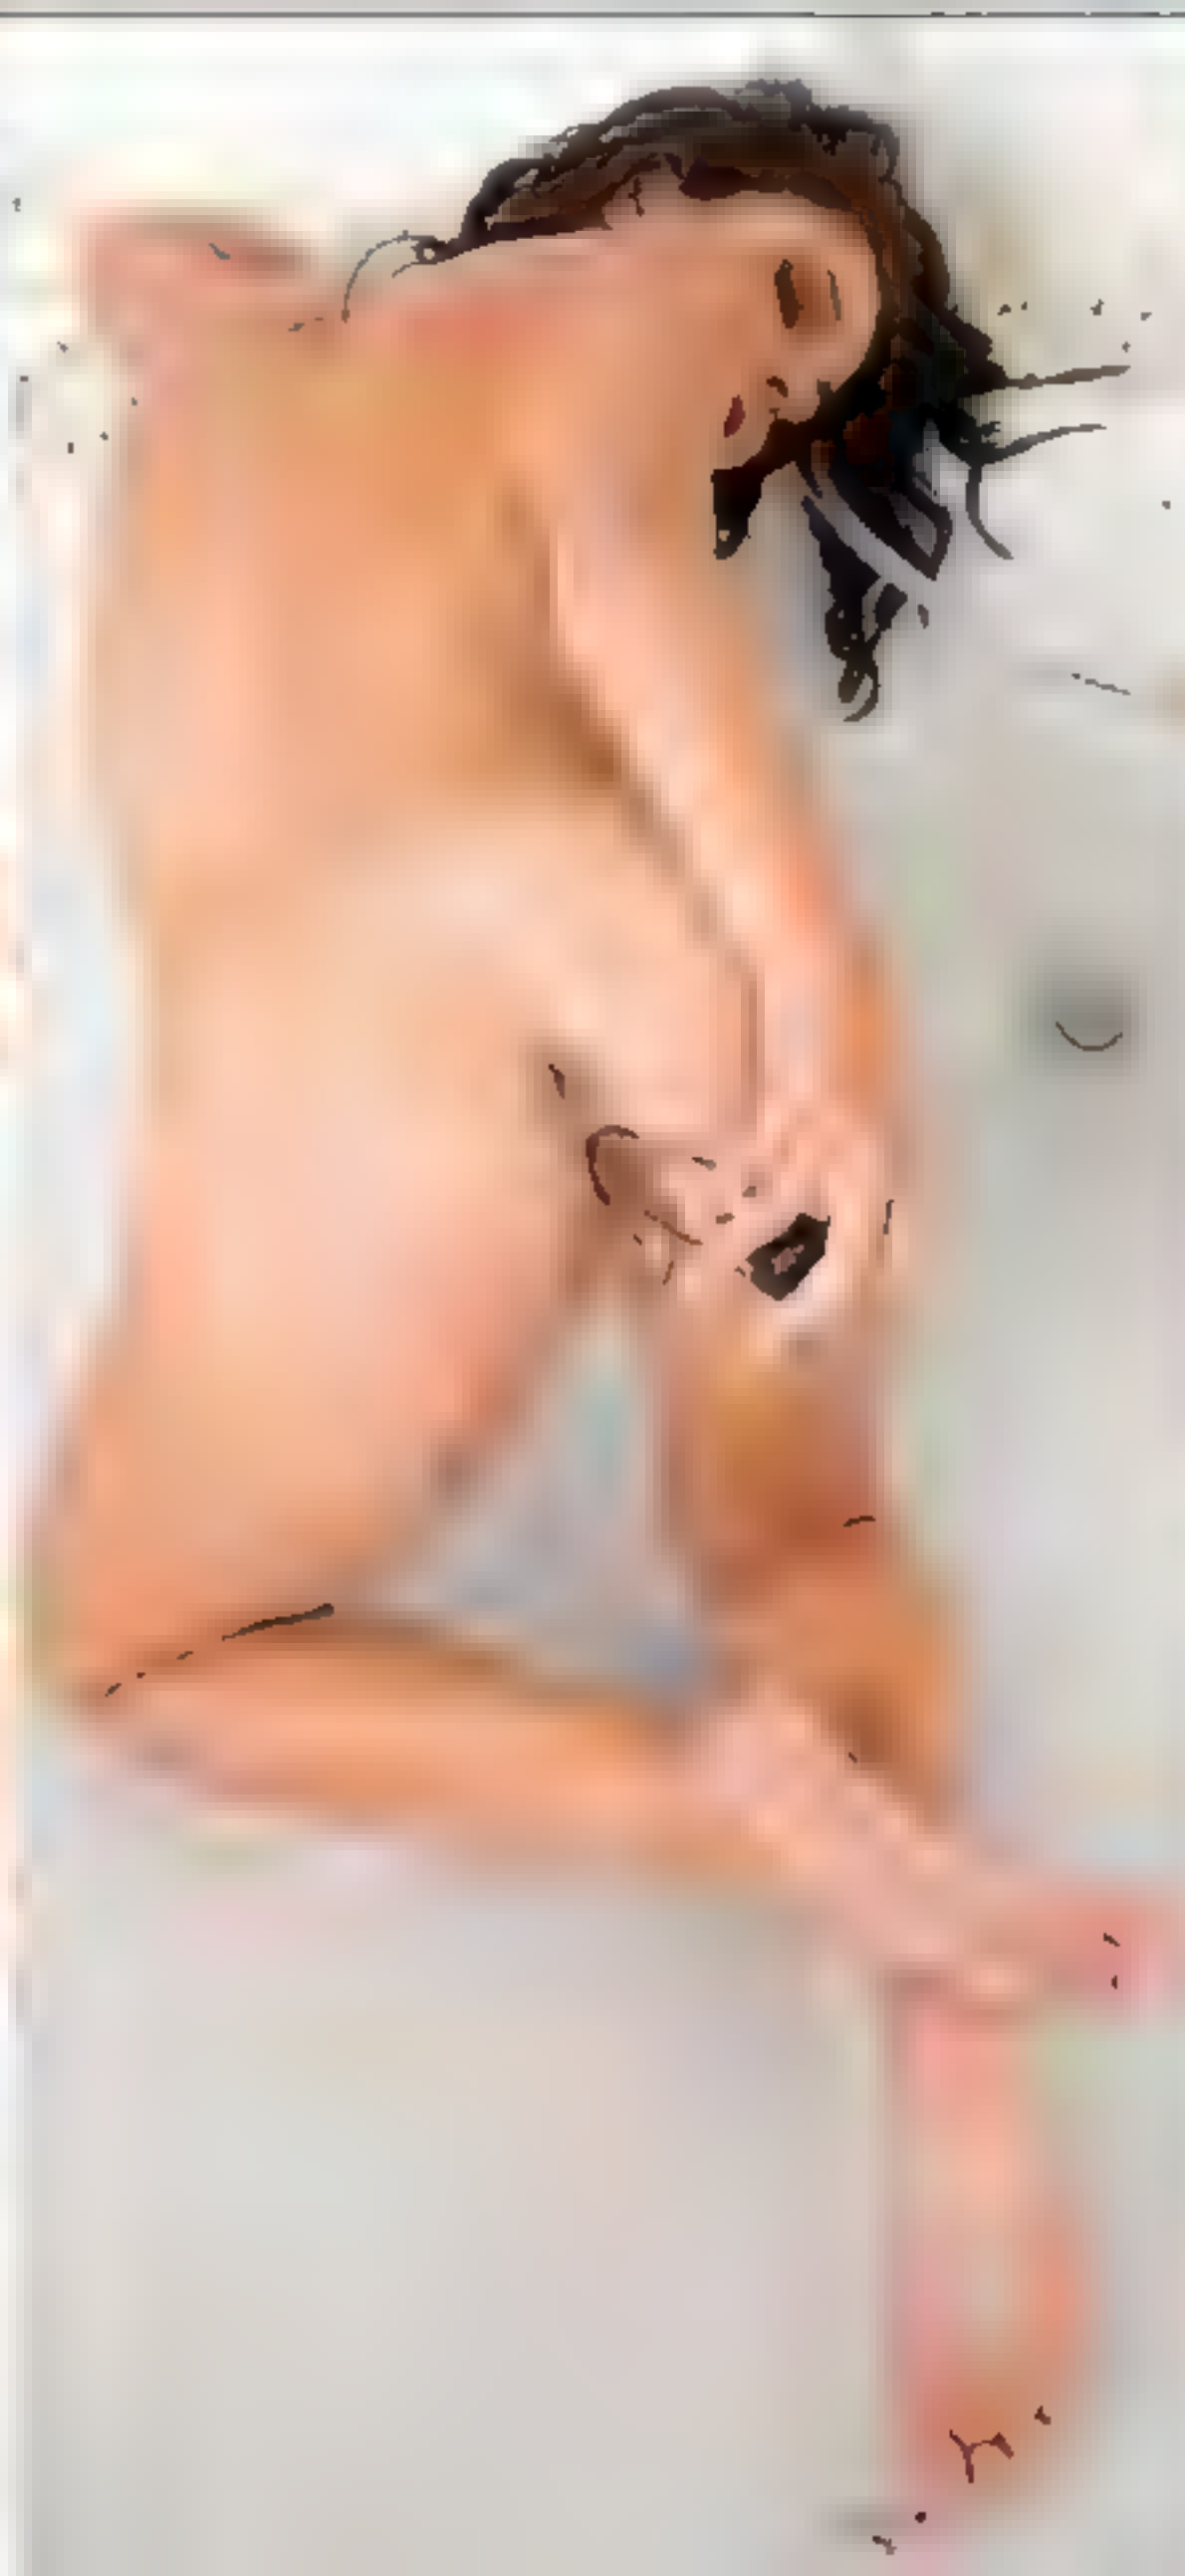

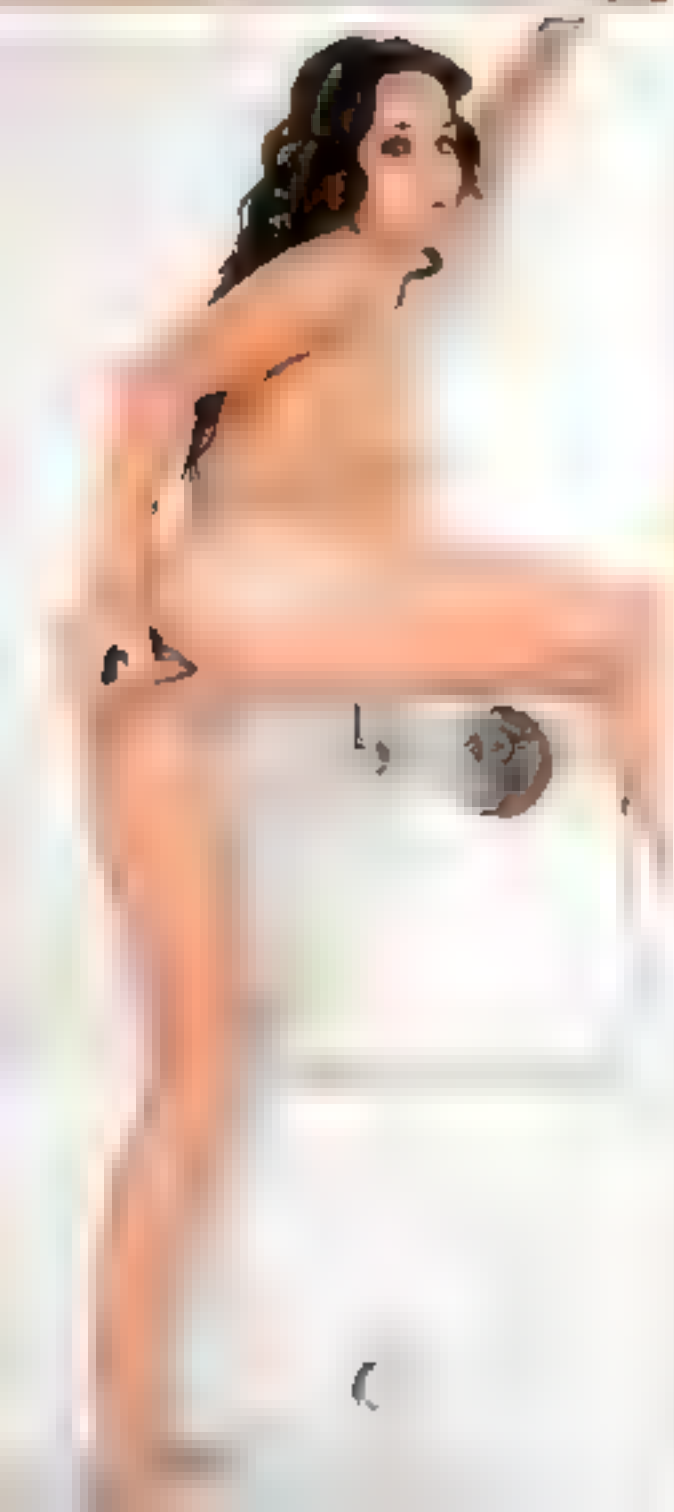

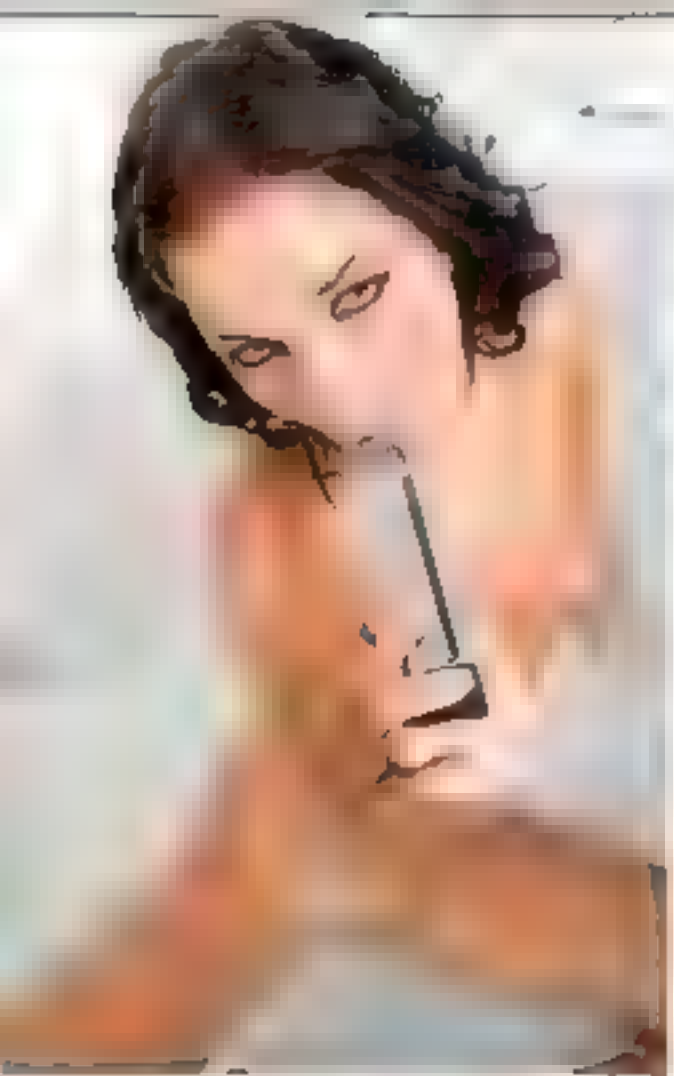

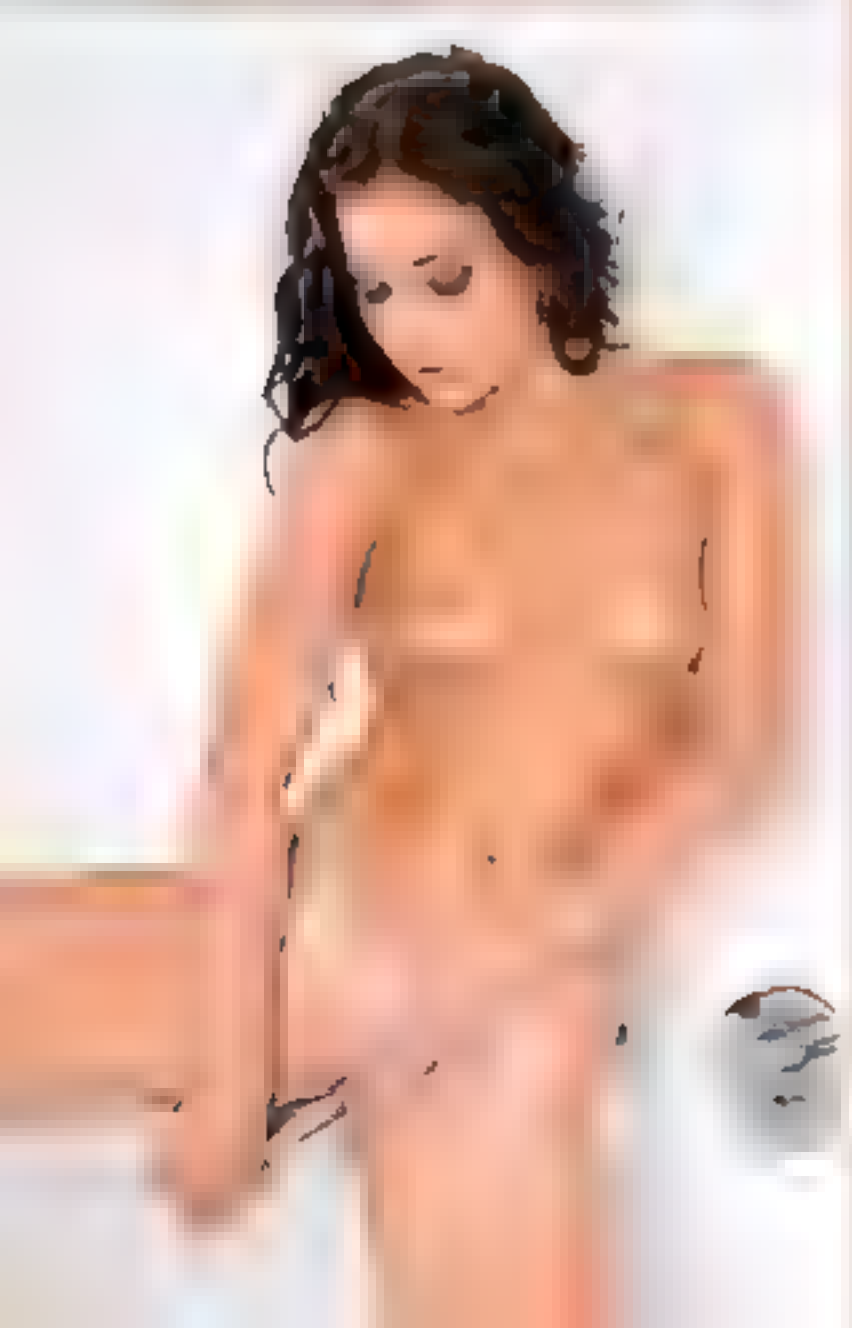

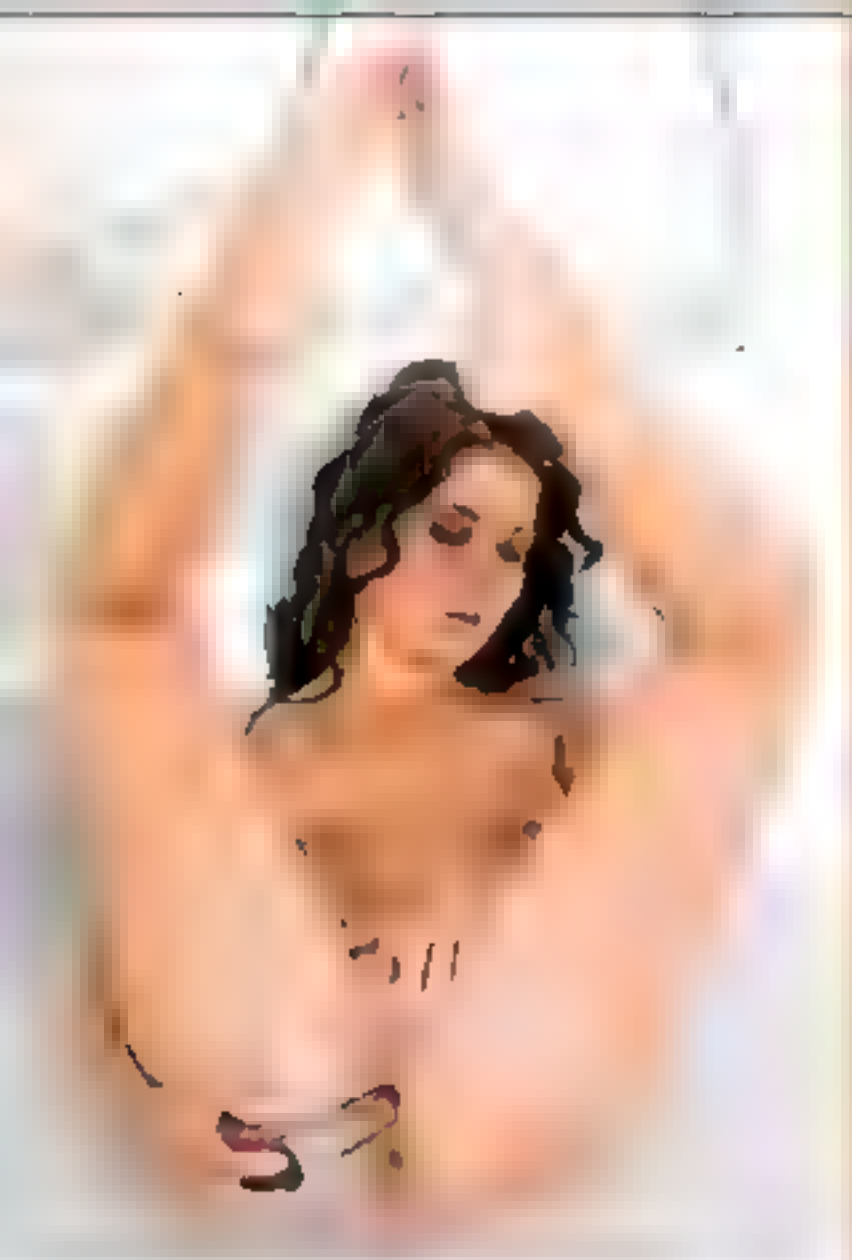

celebrity

he best way to relax, according to Billy, is to slowly strip out of your clothes and step right into a hot bath. After a long day of work, commuting, and blowing a cop to avoid a speeding ticket, Billy soaks in the warm water. Her pussy was wet before she even got in the tub, and now it's tingling as she thinks about getting fucked. "Hmm, maybe I should have fucked that nice policeman," Billy says, the taste of the cop's cum still on her tongue. "Or maybe that really hot barista I saw today. Maybe a threesome, or an orgy." Whatever is on Billy's mind it's making her rub her pussy really fast. Uh oh, she's got that look she's about to cum. She grabs her waterproof vibe and pushes it inside until it touches her g-spot. She climaxes with a scream, water splashing over the side of the tub. That was hot, but not very relaxing. Now our cocks are all stiff! We need a massage, Billy... 19

Cameron & Daisy

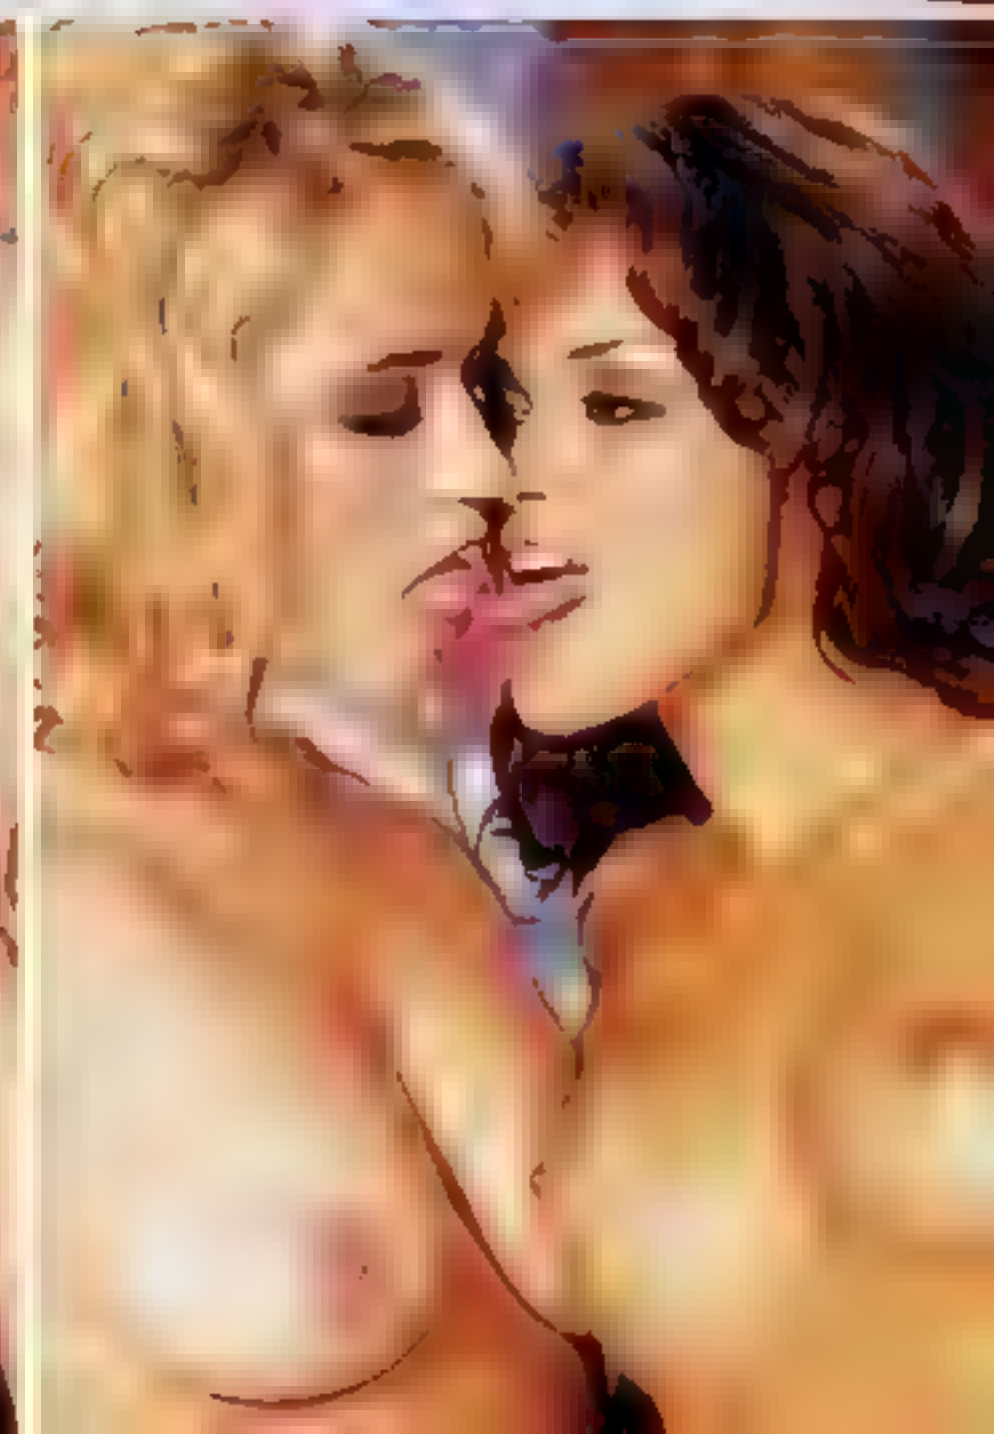

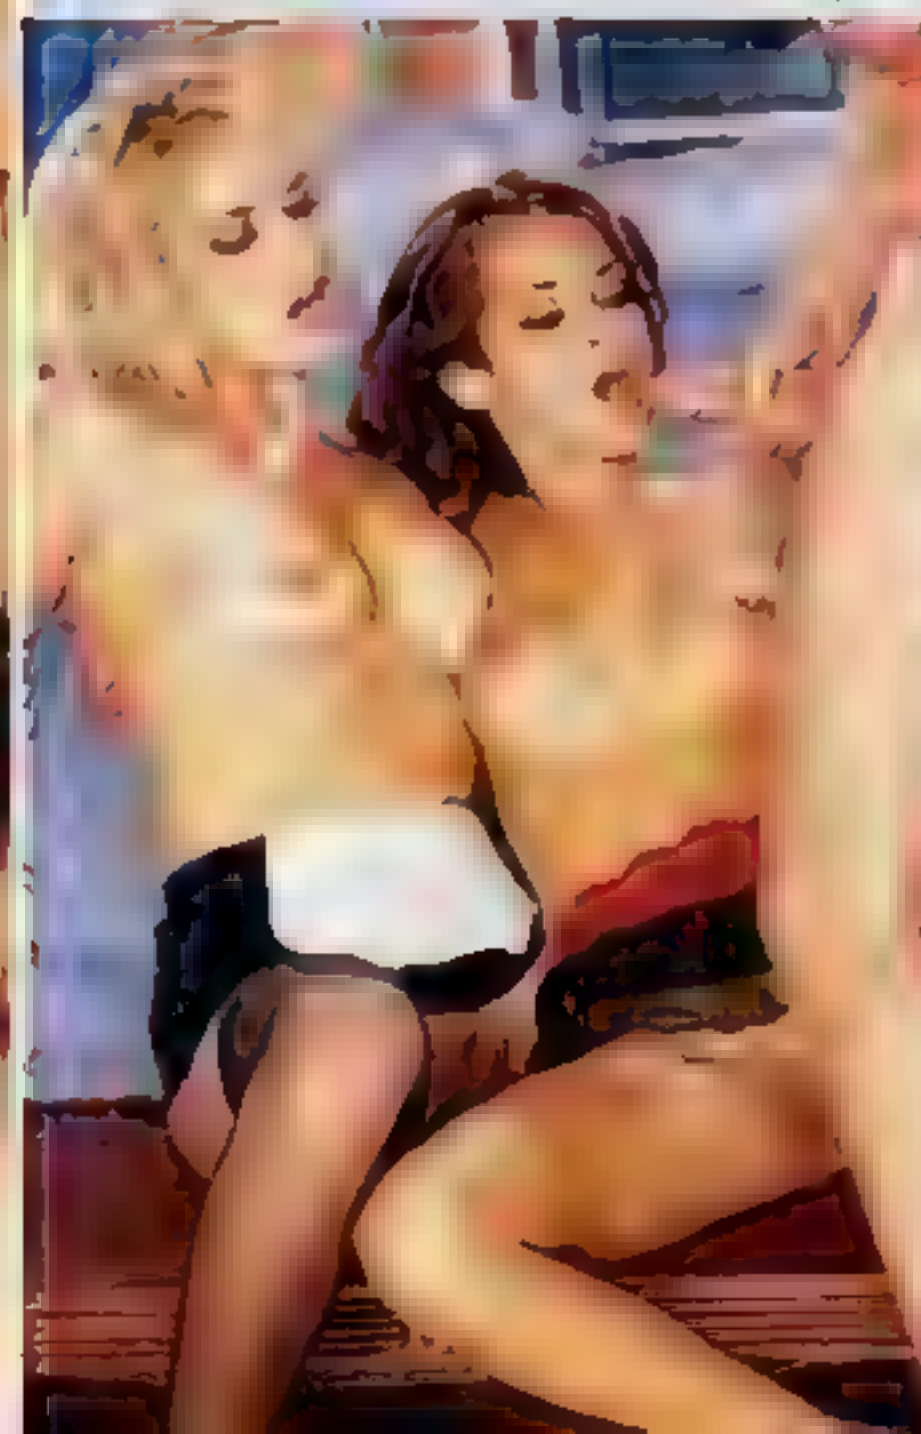

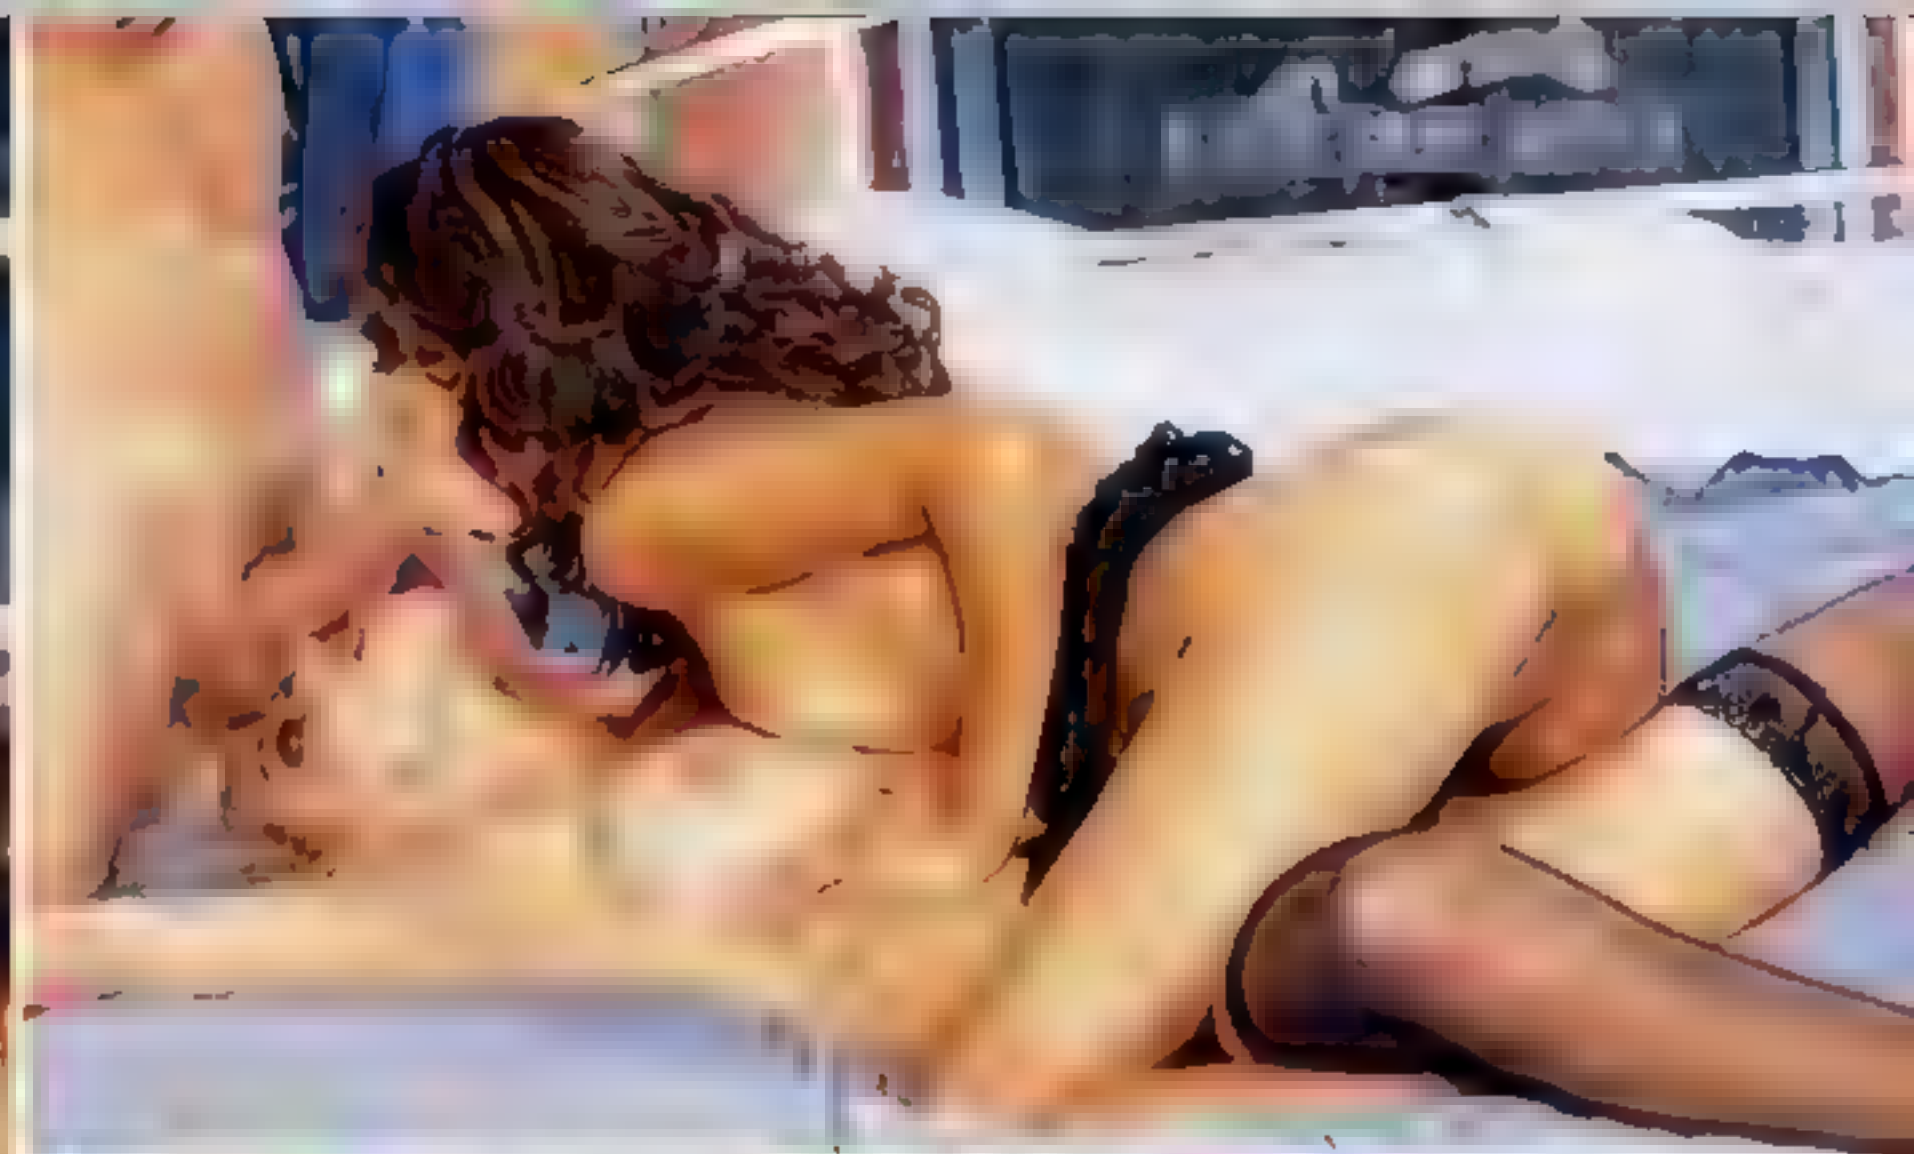

Daisy and Cameron's friend Jerry is sick and needs special attention. His doctor told him to take two whores and call him in the morning. Daisy and Cameron are more than willing to help heal their friend. They start off by slowly dancing with each other, kissing, rubbing their tits together until Jerry's at full bonage. Now they go in and take his giant cock down their throats. His blue balls will go away once the girls ride him—although they're having some trouble since their pussies are so tight. But each girl is able to get a good ride, pumping themselves up and down, until Jerry pulls out and splashes his goosy load all over their faces. Is Jerry cured? He may need one more day just to recuperate. ■

NATIONALLY AWARD WINNING GENTLEMEN'S CLUB

Everyone says so, but in 2007 it became official—The Pink Pony Gentleman's Club was named Best National Feature Club at the 10th Annual Adult Nightclub & Exotic Dancer Awards Show in Las Vegas. This was the second time the Pink Pony has won this award, and it makes four national awards the Pink Pony has been honored with since 2000. In fact, even the readers of Creative Loafing Magazine in Atlanta honored the Pink Pony as Atlanta's hottest gentleman's club for the 3rd year in a row. That's a lot of boners saluting the gorgeous girls, and fun-filled, erotic atmosphere that the Pink Pony has become legendary for!

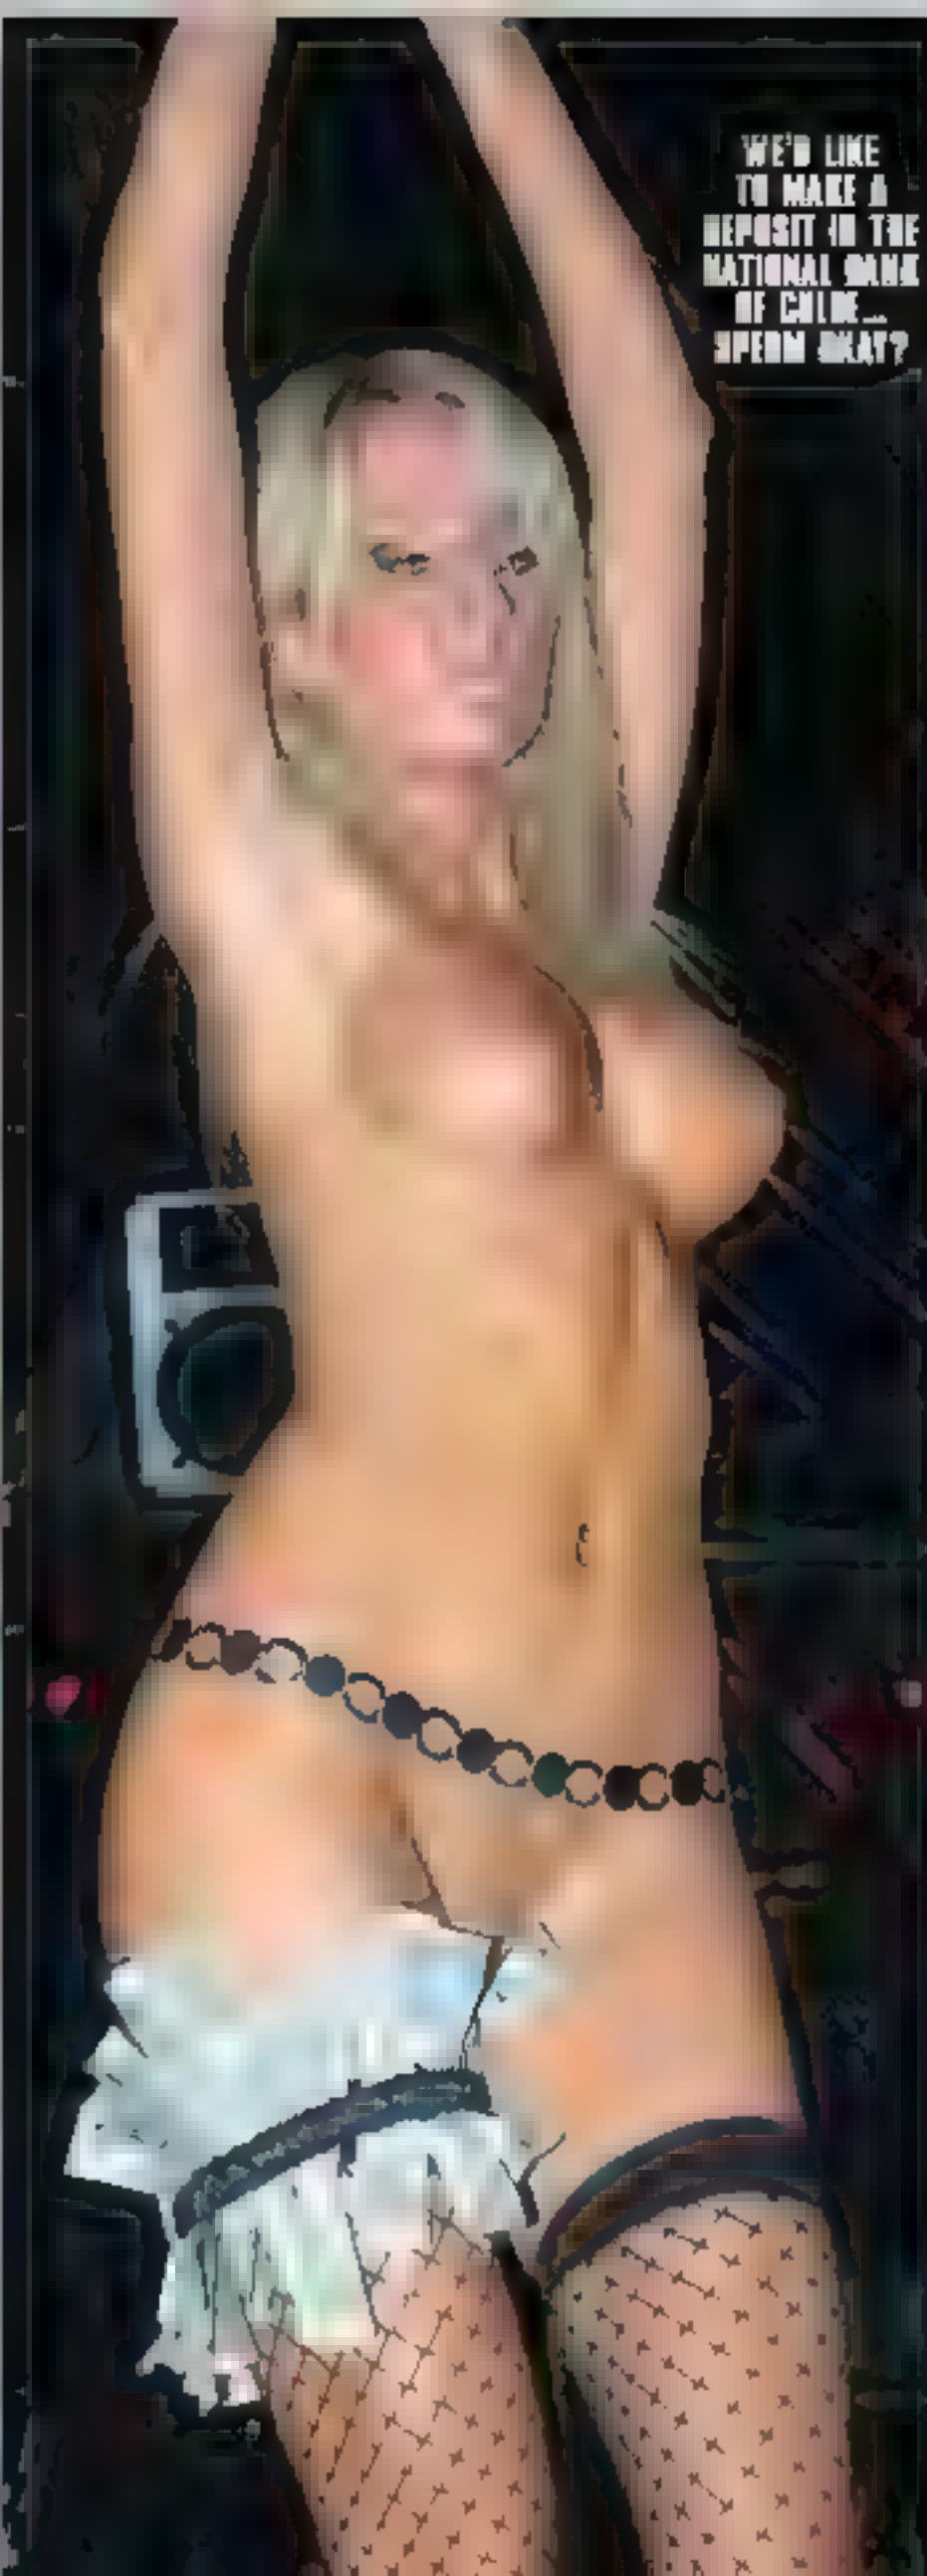

Because of the excitement generated by The Pink Pony, the club has been featured in every major men's magazine, the Howard Stern Show, and on HBO. One of the club's claims to fame—and the reason it has won awards from the industry's national trade publication, EXOTIC DANCER Magazine—are the many promotional events produced each year.

BIRTHDAY BASH, THEN GASH!

Besides the hundreds of beautiful girls the Pink Pony features on a nightly basis, the club has also flaunted its clout by attracting the world's most wanted porn beauties. By reaching out to top-of-the-line, A-list talent, the Pink Pony has recently hosted appearances by the one and only, CHER! Entertainment Editor Jesse Jane (who came out to celebrate her birthday at the Pony), her fellow Digital Playground co-ho, Asian goddess Katsuni, as well as XXX performer and dancer Exotica, and AVN award winner Jessica Drake!

In addition to luring top talent, the Pink Pony allows its patrons the opportunity to decide which girls they most want to see featured by Internet voting. They call it "Porn Star Birthday Bash." Here's how it works: The club picks several different girls who have a birthday on the same month, and patrons vote which girl they most want to see in their "birthday suit" on their actual birthday. Their most recent Birthday Bash nominees included girls who celebrate their big day in the month of November. They included superstars Janina, Aurora Snow, Kristen Price, Krystal Steel and Shy Love.

A huge crowd came out to see Jesse on her birthday recently. Jesse exclaims, "(The fans all) came out and had oaks with me! It was off the hook! Even though I was away from home on my birthday, I loved the company of the customers at the Pink Pony. My fans in Atlanta are amazing and I couldn't have thought of a better city to party in. It may have been my birthday, but when the spotlight shined, I was giving the fans the present."

GO, JUST GO!

Patrons of the Pink Pony can't say enough great things about this mammary playground.

"The best in Atlanta! This place may be the best in the USA!"

"Fun! Nice fun place to let your hair down."

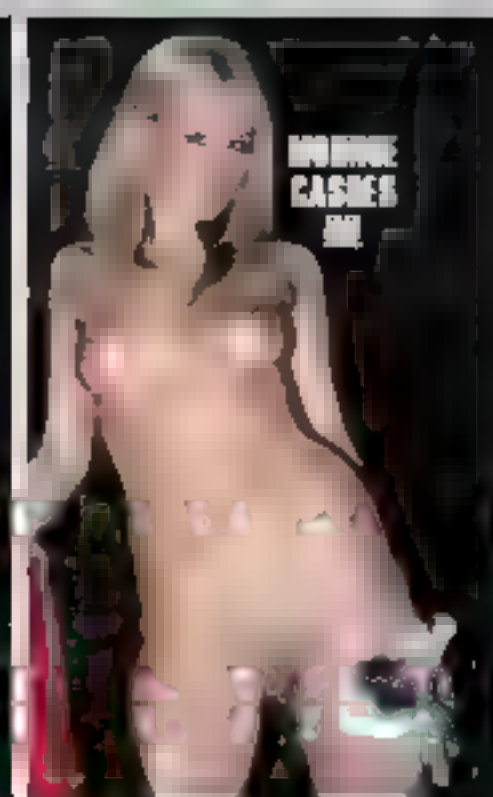

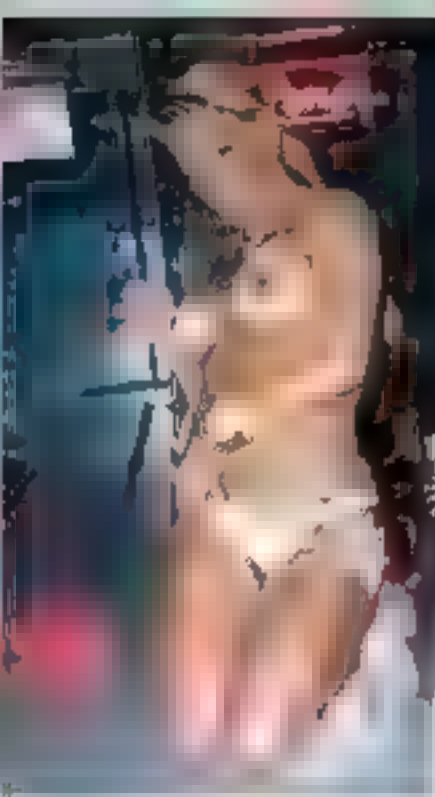

"Money well spent. We always had a full drink and a steady flow of hot girls talking to us. We hit the VIP room with two girls and were not disappointed. The girls were unbelievable. It is an experience I will never forget. It was never boring!"

"The Pony has plenty of great looking ladies to entertain you during your visit. There are entertainers continuously on four stages. Private dances are also available, it's fairly laid back, and the waitresses and bartenders are hard working and friendly. Best of all, they book feature entertainers—adult superstars that perform a couple of shows a night. Three words to everybody go just go!"

Need we say more? Go, just go to the Pink Pony, where there's tilts and ass galore, booze and porn babes, every night of the week at the Pink Pony, where the pink is definitely all around!

WHALE TAIL 4 ****

(Smash Pictures)

Starring: Lexi Belle, Missy Stone, Emma Cummings, Stephanie Cane, Phoenix Marie.

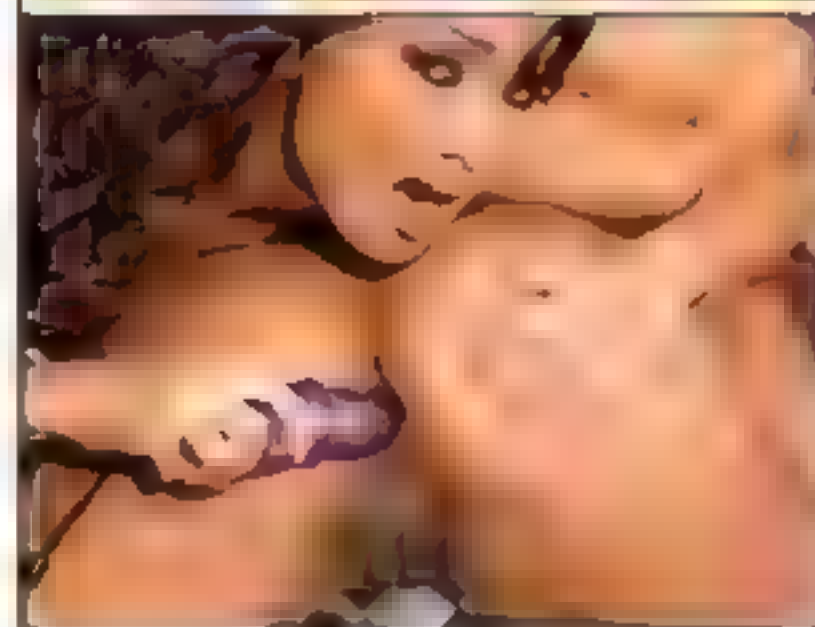

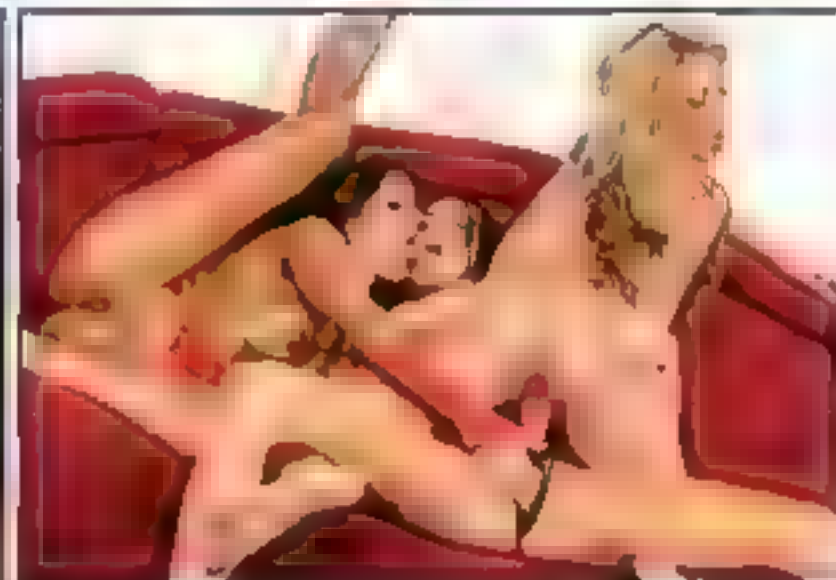

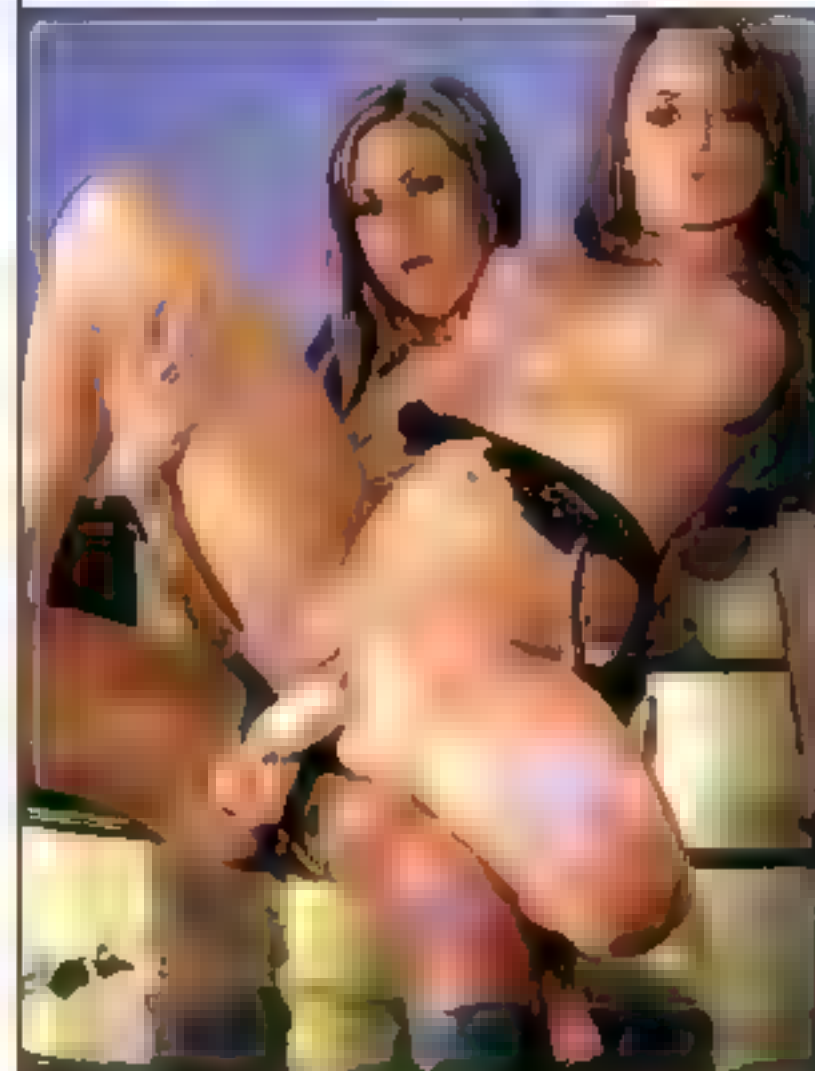

Thank goodness for sluts who love showing off their whale tail and are proud to do so! What's a whale tail? That's when a girl's thong is riding up over her jeans, getting all the guys hard and turning heads. We love girls who have no shame, and expose their underwear. Derrick Pierce literally falls for skinny super slut Stephanie Cane, whose whale tail is riding high, while Derrick's cock bones up to nail this pencil-thin whore every which way. Cutie Lexi Belle sucks a mean cock, and gets pounded hard by Van Style's crooked cock. Sweet Lexi definitely knows how to shake that tail. And of course, when you think of whale tail you think about ass fucking! Emma Cummings shakes out of her jeans, and spreads her ass for an anal drilling. Missy Stone gets a big load dropped courtesy of Nick Manning, who pulverizes this ass junkie before shooting his hot cum all over her slutty face. Definitely great whale tail watching and jerking galore! Rob P.

NO MAN'S LAND 44: LIPSTICK LESBIANS ****

(Video Team)

Starring: Amy Ried, Lexi Tyler, Shawna Lane, Nichole Heires, Alektra Blue, Lindsey Meadows, Angie Savage, Lana Croft, Francesca Le, Alden Starr, Max Milla, Candy Manson.

Dykes are alright! No Man's Land 44 is one of the very best in this sapphic series. The title is *Lipstick Lesbians*, but you got lipstickers, butch bitches, strap-on queens, and plenty of dominant/submissive action, and one hot, fuckable cast. Amy Ried patronizes a lezzy little boy, and finds Nichole Heires' ass good enough to spank, and her dripping pussy tasty enough to lick. Francesca Le and Alektra Blue are a pair of stuck up socialites who demand to be let in to the club, and inside of Angie Savage's tight pussy, which they do with their trusty strap-on. Speaking of strap-ons, Max Milla orders submissive little Asian princess Lana Croft to get on her knees and deep throat her plastic cock. It's an Asian invasion as Lana plunges her plug deep in Max' tight ass. Big boob blondes Candy Manson and Lexi Tyler love to drink and eat hot pink, smothering each other with a face full of double D's, and drenching each other with sweet girl cum. It's a lezzy lover paradise. We'd love to visit No Man's Land one day, if just to watch hot sluts eating pussy! — Rob P.

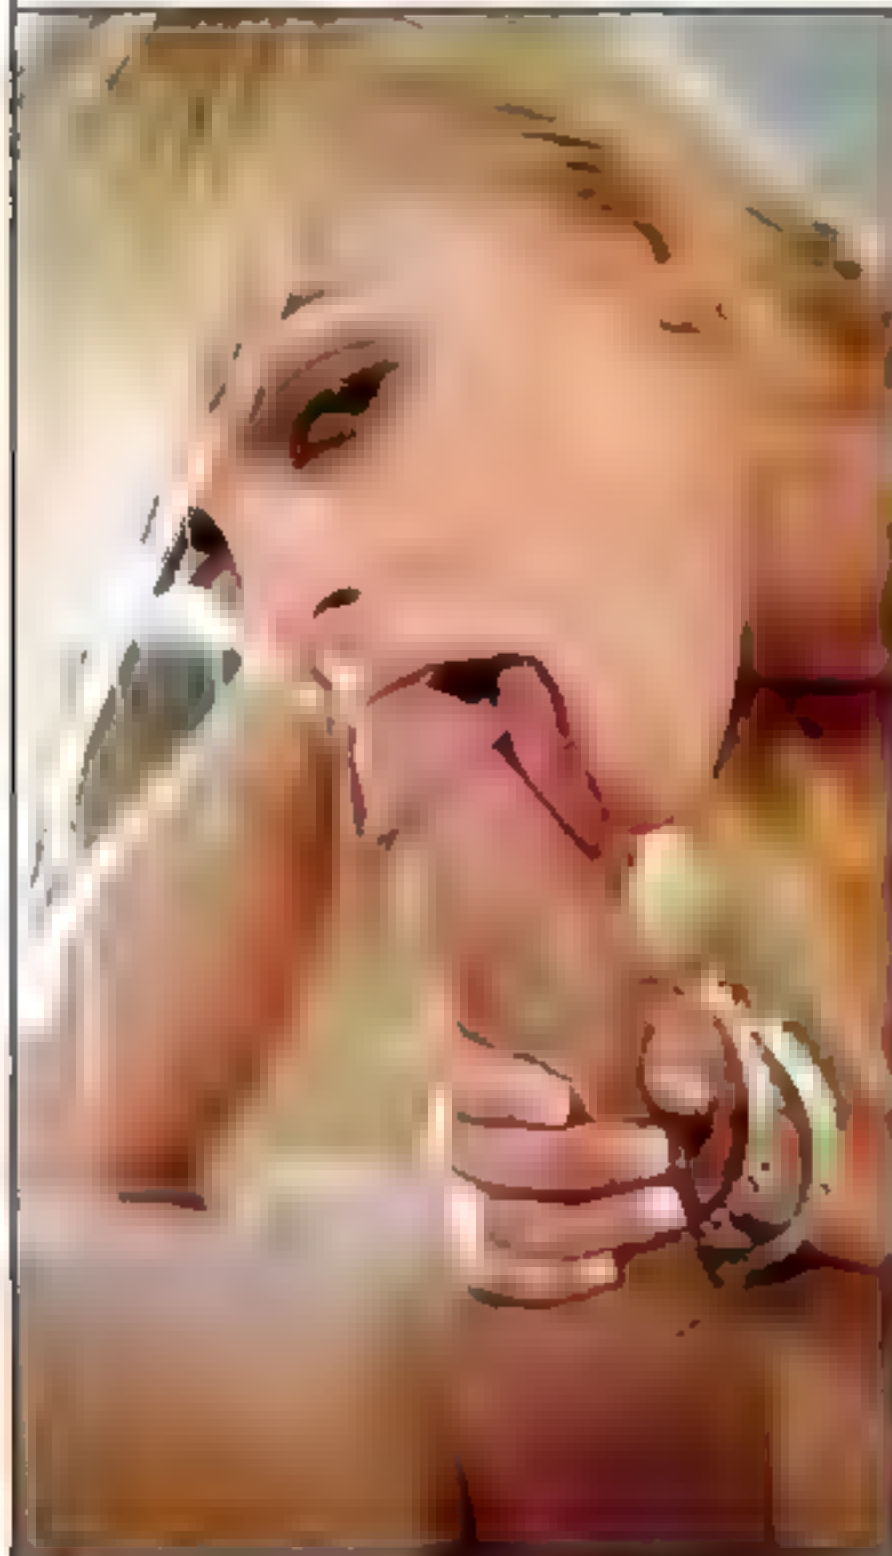

KISS KISS

(Digital Playground)

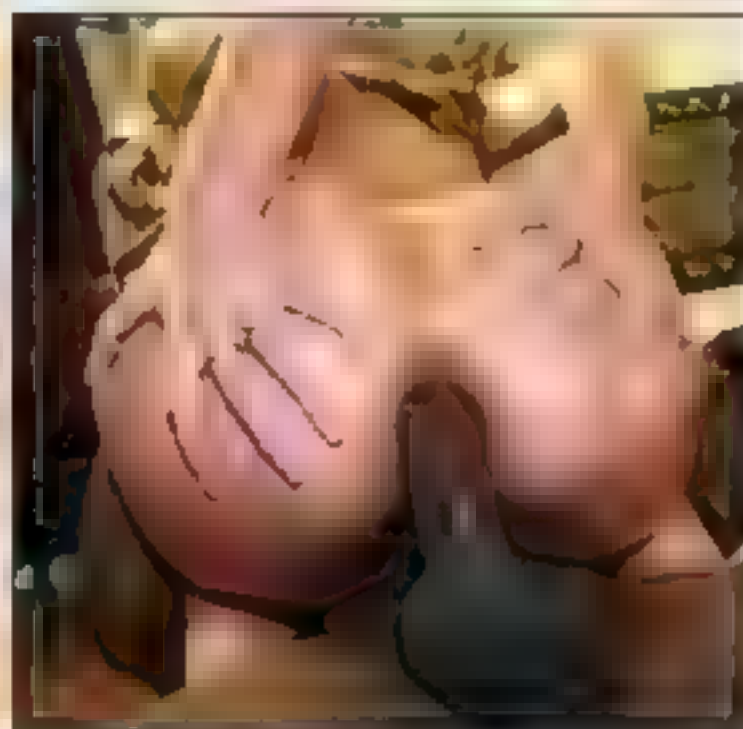

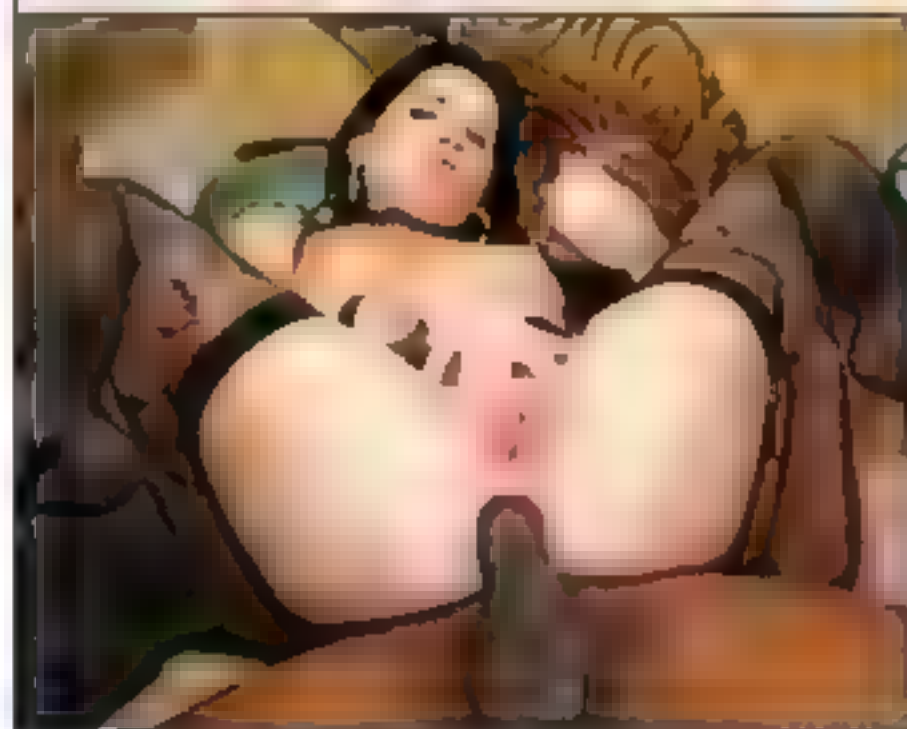

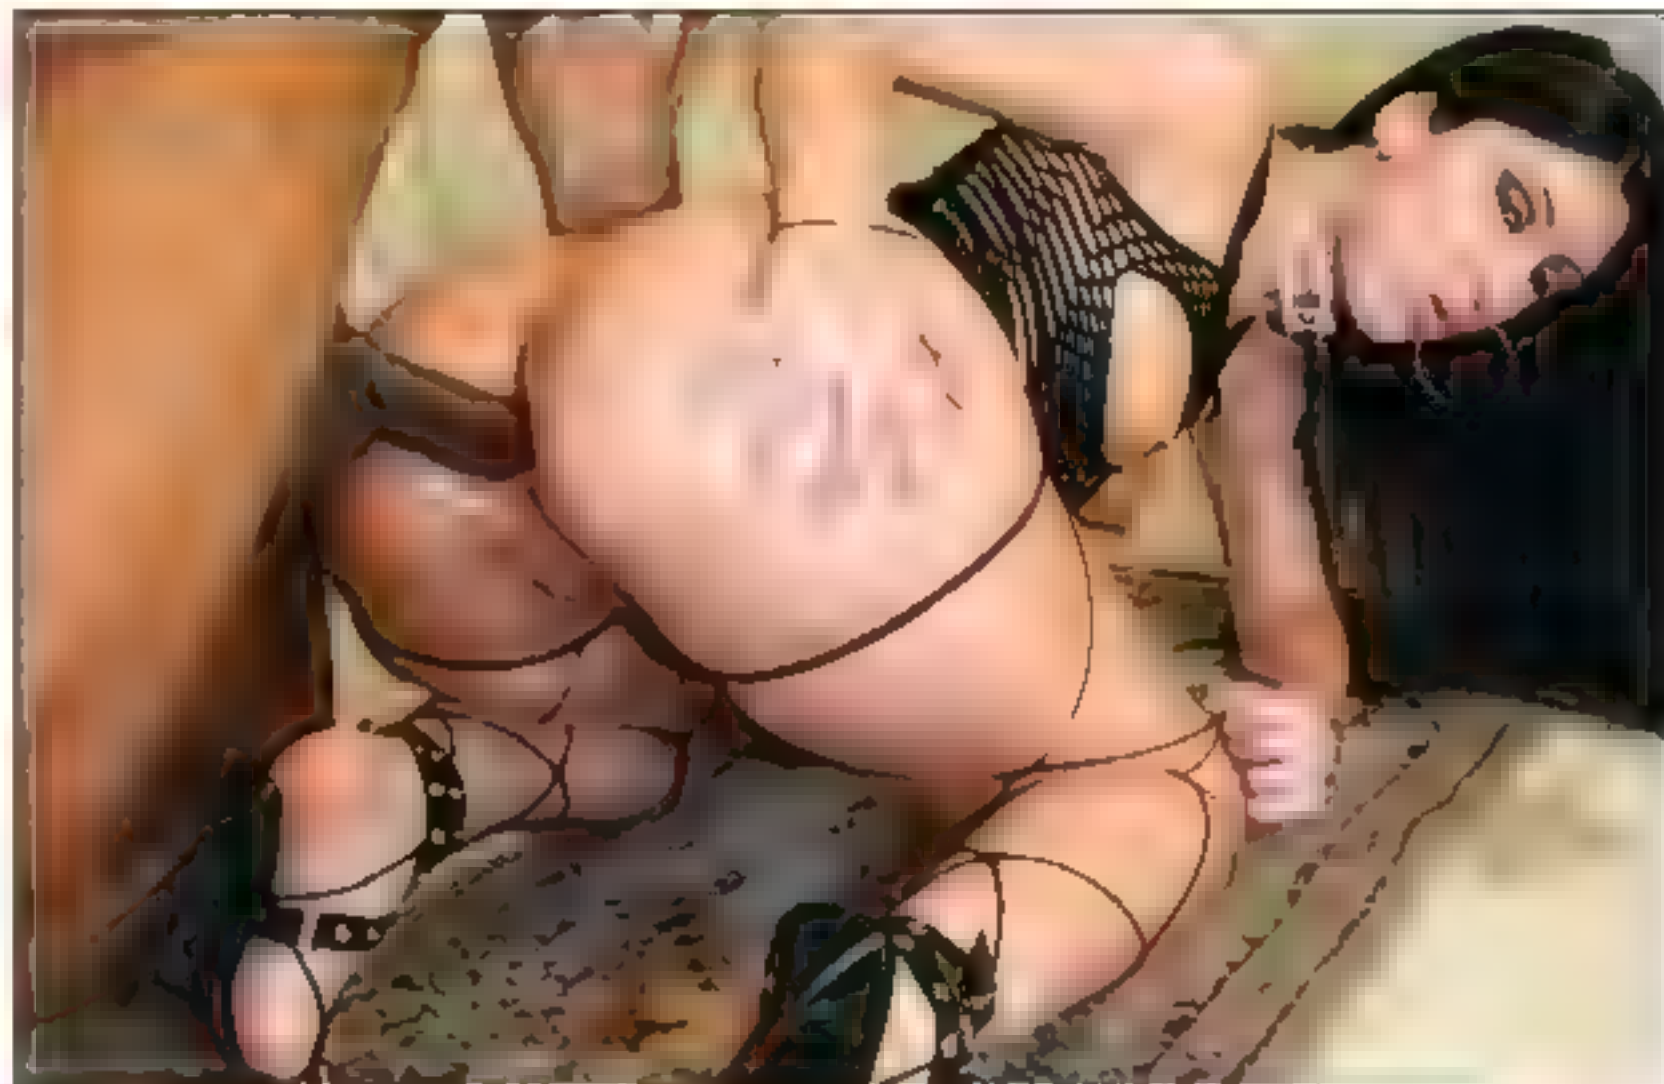

Starring: Jesse Jane, Stoya, Jenna Haze, Priya Rai, Brianna Love, Lacey Maguire.

Seeing house favorite Jesse Jane with Jenna Haze in a kitchen with two cakes and a can of whipped cream is almost enough to get me off. They do exactly what I need them to do to make me rub a few out as their cake fight ends up with Jesse sucking whipped cream off of Jenna's nipples. Since Jesse talked about threesomes earlier, here she is showing us how to really live this fantasy out! I love that Jesse is so aggressive. They share a dick, get their twats eaten, and Jesse shows us what a great bed bunny she is as she rides meaty cock. And you can see how tight Jenna's pussy is! Stoya knows the drill: receive face job on a bathroom sink, then fall to your knees for an oral special, finish up with some shagging. Brianna Love gives us an interracial fuck fast as she plays a sweet, innocent girl who seduces her big black dick security brotha, I can't lie and say I haven't tried to seduce a security guard before, but it never really turned out like Brianna's attempt. Her ass gets sucked, spanked, and she gets jammed like the spoiled brat she is as she's the first in the car to go Greek. Priya Rai is a naughty yet obedient pussycat. She loves showing her pussycat off so much that she flips upside down on her head to get tongue fucked. Lacey Maguire gives us another scorching threesome, but this time she proves to be the nymph we know she is as she takes on two cocks. She can't do anything without a dick in her mouth, that's my kind of girl. Jesse comes back to get whipped cream sucked off her and showing off her stellar reverse cowgirl. Fantasies definitely cum true, courtesy of our girl Jesse Jane!

DEEP IN LATIN CHEEKS 2

(Alexander DeVoe Productions)

Starring: Rebeca Linares, Olivia O'Lovely, Delfah Strong, Luscious Lopez, Holly Pink, Jayla Star, Gabriela Romano.

Latin women with big butts...who doesn't love that? We definitely do, so we weren't going to pass up jerking our fuck sticks to these horny Latin babes stuffing their massive asses to equally horny brothas who just wanna ream their stinkholes. Can't blame them, especially when one of those fine Latin asses belongs to Rebeca Linares. She and Olivia O'Lovely double team their willing brotha to a heavy dose of a big butt attack, before he lays Rebeca's tight ass with his ten inch monster. Delfah Strong gets her holes stuffed for the first time by black cock, with every inch going up her tight pipe. Luscious Lopez is all booty, and attacks her man with that wide ass that's open for a rear delivery. Plus more loco, cocoa-skinned Latinas that make us wanna shoot our loads South of the border.

Rob P

POV PERV ******* (Combat Zone)

Starring: Vanessa Hill, Samilla Hall, Angel Long, Simony Diamond, Luscious Lopez.

If you want your POV porn to include a humorous German accented cock (actually Chris Charming) talking as he fucks, or if you're like me where you love POV cause you can get nice close up shots of shaved pussies, then you've cum to the right place. Simoney Diamond starts this flick off with some tonsil tickling. We get great shots of her twat, and we get to watch as it gets wet. She gets hammered on the floor while she strokes her clit and squeezes her natural tits. She doesn't hesitate to flip over for an ass pounding. Vanessa Hill can't wait for some action and throws her lips on a dick outside. By the time she's ready for some leg business, want to play connect the dots with the birthmarks on her cunt. She also lets Chris bury his bone in her backyard, too. Samilla Hall is picked up at the airport and once in a hotel room is topless, on her knees and ready for some vitamin C—as in cum—and a DNA milkshake. Luscious Lopez deep throats Chris' cock and they don't call her Luscious for nothing; she's got the best ass ever! It's even better to see that she knows how to work it. If you're into foot fetish, you will enjoy Angel Long's footie routine. She gives us a great ride. I would have loved to have seen her and Luscious Lopez together, maybe the two of them would have mixed up the positions and not made me feel like such a pillow queen!

Newbie porn star Tori Black got into the porn business to fulfill her ultimate sexual fantasy. "I want a huge black cock inside me," Tori says. "I want to gag on it and have it fuck me hard." Tyler Knight wants to help...that's the kind of guy he is. He offers his thick, chocolate fuck stick for Tori's pleasure. She spreads her thighs wide. "Have your way with me," she tells Tyler, and he thrusts his monster cock deep into her wet snatch. Tori squeals. "Just keep fucking me. Fuck me, damnit. Fuck me hard! Oh yeah!" Tori screams. "Take your cock out...I want to taste my pussy on your dick." Tyler pulls out and blows his milky load in her mouth, splashing what's left of his jizz on her tits. Another fantasy fulfilled. euftrat & nelly

Nelly loves her friend Euftrat's wonderful taste in clothes. Euftrat thinks Nelly has a great fashion sense, too. They both work as high-end supermodels in Europe. On their off day Euftrat visits Nelly and is taken to her bedroom. Nelly loves how Euftrat's ass looks in her wavy skirt, and Euftrat is wondering how wet Nelly is right now. Soon they are both on top of each other, fucking each other hardcore lesbian style, eating each other's cunt, and tongue-fucking hot ass. They both taste so good. Nelly has an idea. Why not bring all the girls over after tomorrow's photo shoot, and have a big lesbian orgy! Euftrat thinks it's a great idea. We think it's a great idea too, girls. Who says supermodels don't have a high IQ? ♀
